REGULAR PUBLIC SESSION - 7:00 PM

Chairman Smith brought the regular public session to order at 7:00 PM at the Santa Cruz Harbor Public Meeting Room, 365 A Lake Avenue, Santa Cruz, CA 95062.

- 1. Pledge of Allegiance
- Oral Communication

Discussion:

Chairman Smith began the meeting with a moment of silence to honor the 34 victims onboard the vessel *Conception*, which caught fire and sank on September 2, 2019, off the Santa Cruz Islands.

Commissioner Goddard stated that he has accepted a position on the CMANC Board of Directors and will be participating in the upcoming Fall meeting. Vice-chairman Reed thanked Commissioner Goddard and stated that having Port District representation on the Board is beneficial.

Chairman Smith stated that it will be beneficial to monitor future climate events and the associated impacts on the local commercial fishery. Vice-chairman Reed suggested that the Port District invite an expert in fishery management to present relevant information to the Commission. Port Director Olin stated that staff will research that possibility.

Port Director Olin announced that Harbormaster Marshall will retire effective December 3, 2019. She stated that as of September 23, 2019, Harbormaster Marshall is utilizing leave balances and no longer on duty. Assistant Harbormaster Anderson has been appointed to fill the position on an interim basis.

The Commission expressed their support for Assistant Harbormaster Anderson filling the role of interim Harbormaster.

CONSENT AGENDA

- 3. Approval of Minutes
 - a) Special Closed and Regular Public Session of August 27, 2019

Discussion: Commissioner Cardoso stated that it is her opinion that the meeting minutes

from August 27, 2019 (item 22), do not accurately reflect her intentions, as

she did not intend to make personal accusations.

MOTION: Motion made by Commissioner Goddard, seconded by Commissioner Gertler

to approve the consent agenda.

Motion carried. Commissioner Cardoso voting NO.

REGULAR AGENDA

4. Authorization to Acquire a Replacement Patrol Vessel:

- a) Approval of Resolution 19-08 Authorizing the Port Director to Execute Grant Agreement Documents with the State of California for Patrol Vessel Funding
- b) Authorization to Purchase Replacement Patrol Vessel from Moose Boats (NTE \$537,675)

Discussion:

Assistant Harbormaster Anderson summarized the staff report and recommended the Commission authorize staff to pursue a sole-source acquisition of a replacement patrol vessel from Moose Boats. He stated that after extensive research, he is confident that Moose Boats will supply the best possible rescue craft available to meet the needs of the District's search and rescue operation. He outlined the following vessel specifications available from Moose Boats:

- High viewing platform and freeboard
- Ample storage compartments
- Ample deck space
- Proprietary hull design with a consistent 20-degree deadrise
- Local manufacturing facility in Vallejo, California

A brief discussion ensued regarding the extensive research staff performed to identify the most suitable replacement option. Assistant Harbormaster Anderson stated that performing site visits and test driving various models of vessels was beneficial in identifying and determining which vessel would perform best in the waters of the Monterey Bay.

In response to a question posed by Vice-chairman Reed, Assistant Harbormaster Anderson stated that the Moose Boats M3 vessel is well suited for carrying multiple passengers/victims due to its increased size and deck

space. He stated that the vessel will be equipped with two "cut outs" (in lieu of a swim step) that will aid in assisting victims onto the vessel.

Commissioner Goddard expressed support for the sole-source acquisition and stated that the walkaround cabin design feature will provide additional safety benefits to the crew.

In regards to funding, Port Director Olin stated that a final grant agreement will be drafted once all project information forms are submitted to the State. She stated that reimbursement under the grant will be issued upon project completion. Deficit spending from the CIP (currently \$18,277 allocated for vessel replacement) will occur until reimbursement is received.

The Commission was supportive of moving forward with a sole-source acquisition of a Moose Boats M3 patrol vessel. Commissioner Goddard noted that the new patrol vessel will be a tremendous resource for the community.

MOTION: Motion made by Commissioner Goddard, seconded by Vice-chairman Reed to:

- Approve Resolution 19-08 Authorizing the Port Director to execute grant agreement documents with the State of California for patrol vessel funding; and
- b) Authorize the purchase of a replacement patrol vessel manufactured by Moose Boats in an amount not to exceed \$537,675.
- Motion carried unanimously.
- 5. Approval of Resolution 19-09 Adopting the Personnel Policies Handbook

Discussion: Port Director Olin stated that the District's current handbook has not been updated since January 2012. She stated that the revised policies are intended to strengthen current processes and provide greater transparency to both employees and administrators.

Port Director Olin stated that revisions can be classified into the following categories:

- Legal Compliance (changes necessary to comply with applicable laws)
- Best Practices (changes for improved management)
- Substantive Changes (significant changes to current policies)

Commissioner Goddard stated that it may be beneficial for the Port District to develop an appendix to the Port Commission's Policies/Procedures Manual to define and outline the roles, purpose, and function the Port Commission plays relative to Human Resources. Port Director Olin stated that this item can be added to the calendar as a future item.

MOTION:

Motion made by Commissioner Goddard, seconded by Vice-chairman Reed to approve Resolution 19-09 – Adopting the Personnel Policies Handbook, dated September 24, 2019.

- Motion carried unanimously.

6. Acceptance of Final FY19 Audited Financial Statement

Discussion:

Port Director Olin presented the final FY19 audited financial statement, noting the only variances from the draft audit presented in August are two minor changes based on input from the Commission during the review of the draft audit:

- Note 2 Cash and Cash Equivalents has been modified to include a statement about the investment policy adopted by the Port Commission in November 2018.
- Note 8 Operating Leases has been modified to clarify that minimum future lease income to be received is based on non-cancelable rent and concession leases.

In response to a questioned posed by Commissioner Goddard, Port Director Olin confirmed that the FY19 financial statements were reported in a single-year format, due to the implementation of GASB 75. She stated that the FY20 financial statement will revert to a two-year format for comparison purposes.

MOTION:

Motion made by Vice-chairman Reed, seconded by Commissioner Gertler to accept the FY19 audited financial statement.

Motion carried unanimously.

7. Approval of Cash / Payroll Disbursements – August 2019

Discussion: Chairman Smith commented that the District's expenses for legal consultation and utilities are significant.

In response to a question posed by Commissioner Goddard, Port Director Olin confirmed that Warrant #52142 – Beach Dozer Rental, pays multiple invoices that were not received until recently.

A brief discussion ensued regarding Warrant #52161 – Generator for *Twin Lakes*. Port Director Olin stated that the previous generator was not under warranty and in need of replacement due to the marine environment. She stated that a protective cover has been fabricated for the new generator to mitigate exposure to environmental factors.

In response to a question posed by audience member Tom Whieldon, Port Director Olin stated that First Alarm provides overnight security at the harbor

and has done so for many years. She stated that scheduling changes have been made to ensure there is more overlap and training between First Alarm and Deputy Harbormaster staff, to enhance harbor security.

In response to a question posed by audience member Tom Whieldon regarding Washington Representation, Commissioner Goddard stated that the small monthly expense results in a significant return on investment to the Port District.

MOTION:

Motion made by Vice-chairman Reed, seconded by Commissioner Goddard to approve cash/payroll disbursements for August 2019, in the amount of \$1.176.057.77.

Motion carried unanimously.

<u>INFORMATION</u>

8. Port Director's Report

October Commission Meeting

Port Director Olin announced that the Regular Public Session of October 22, 2019, has been rescheduled to October 29, 2019, at 7:00 PM.

Monterey Bay Air Resources District (MBARD)

Port Director Olin stated that Administrative Services Manager MacLaurie has worked with MBARD to finalize revisions to the District's hydrogen sulfide nuisance protocol for the 2019-20 dredge season.

Aldo's Seawall Replacement Project

Port Director Olin stated that work on the Aldo's Seawall Replacement Project continues. She stated that Granite Construction is driving the last of the sheet piles this week, and then will begin preparations for the tieback installation.

Pile Removal and Replacement Project

Port Director Olin stated that Phase 2 of the Pile Repair and Replacement Project is underway. Bellingham Marine has assembled two barges to assist with the project and will mobilize to the north harbor within the coming days. Once work in the north harbor is complete, Bellingham will return to the south harbor to finish the remaining piles.

Boatyard Marine Ways Support Piles

Port Director Olin stated that Bellingham Marine will repair three support piles at the Boatyard marine ways as part of a change order to Phase 2 Pile Repair and Replacement Project. She stated that repair costs are estimated to be \$66,000 for all three piles.

Eastside Public Pier Pile Inspection

Port Director Olin stated that Moffatt & Nichol recently performed an inspection of the east side public pier pilings. She stated that a final inspection report is pending, but at least five piles have been identified for potential repair / jacketing.

Claims

Port Director Olin stated that the following claims have been settled:

- Klee \$4,800 for vessel damage (struck by *Dauntless*)
- Flint \$50 for miscellaneous damage to RV items (Sewage spill at RV Park)

Army Corps of Engineers Reimbursement

Port Director Olin stated that the reimbursement request for Quarters 1 and 2 have been paid by the Corps in the amount of \$192,500.

Pappy

Port Director Olin reported that Hogan Land Services has completed the design of a display cradle for *Pappy* and the District has authorized additional services for a preliminary cost estimate, which will be presented to the Commission for review at next month's meeting.

California Association of Harbormasters and Port Captains (CAHMPC)

Port Director Olin announced that Senior Deputy Harbormaster Kinnamon was recently honored with a Distinguished Service Award by the California Association of Harbormasters and Port Captains.

- 9. Harbormaster's Report (There was no discussion on this agenda item)
- 10. Review Vessel Insurance Compliance Report

Port Director Olin reviewed compliance statistics and reported that a majority of slip licensees are in compliance with the vessel insurance policy requirements. She stated that enforcement measures were not implemented when the policy was implemented. She recommended that the Policy-Operations Committee meet and consider enforcement options and develop a recommendation for consideration by the Commission.

11. Facilities Maintenance & Engineering Manager's (FME) Report

Chairman Smith commented on the District's new serrated cutterhead, which was recently installed on *Squirt*. Port Director Olin stated that the crew is hopeful the new cutterhead will increase productivity for inner-harbor dredging.

12. Sea Scouts' Bi-Annual Report

In response to a question posed by Chairman Smith, Port Director Olin stated that she has been in contact with Sea Scouts' Director, Kevin Melrose, and informed him that if he wishes to replace *Steeves* with a more suitable vessel, he is advised not to proceed until he has an approved plan and berthing for the vessel.

- 13. Delinquent Account Reporting (There was no discussion on this agenda item)

SUBJECT:

Approval of Month-to-Month Rental Agreement for 275A Lake Avenue (Tenant:

O'Neill Yacht Charters)

Recommendation: Approve the month-to-month rental agreement.

BACKGROUND

The Port District solicited bids for the office space located at 275 A Lake Avenue after the previous tenant provided notice and vacated the space in September 2019. The Port District received applications from six interested parties, including Team O'Neill LTD, all with varying proposals for use.

Staff recommends award of the month-to-month rental agreement to Team O'Neill LTD (dba O'Neill Yacht Charters). O'Neill currently conducts an approved charter operation within close proximity to the office space and proposes to utilize the space as a ticketing office.

The prospective tenant is prepared to take over the premises beginning November 1, 2019, with terms as outlined below. It should be noted that the office space will not be utilized for any activities associated with the O'Neill Sea Odyssey program.

- 2. <u>Term.</u> The term of this agreement shall be month-to-month, commencing as of the date indicated in Section 1.
- 3. <u>Notice of Termination.</u> Landlord or Tenant may terminate this agreement with advance written notice to the other party. Such written notice must be given on the first day of the calendar month and shall be in advance of its effective date by the number of days indicated in Section 1.

4. Rent.

- (a) <u>Fixed Minimum Rent.</u> As described in Section 1, Tenant shall pay to Landlord a fixed amount of rent ("Fixed Minimum Rent") which shall be subject to periodic adjustment as described in subparagraph 4(b).
- (b) Adjustment of Fixed Minimum Rent. Landlord shall notify Tenant if rent is to be adjusted as indicated in Section 1. Any adjustment shall be effective as indicated in Section 1.
- (c) <u>Payment of Fixed Minimum Rent.</u> Fixed Minimum Rent shall be payable as indicated in Section 1, in advance, without notice, offset, or abatement. All rent and other sums payable by Tenant hereunder shall be paid to Landlord in currency of the United States of America (or by personal check unless Landlord otherwise notifies Tenant) at Landlord's address set forth in Paragraph 23 hereof, or at such other place as Landlord may from time to time designate in writing.
- (d) <u>Deposit.</u> Tenant shall also pay the amount indicated in Section 1, to be held as security deposit.

5. <u>Use.</u>

- (a) <u>Permitted Uses.</u> Tenant shall use the Premises solely for the use indicated in Section 1 and for no other uses whatsoever. Tenant acknowledges that Landlord has made no warranties or representations to Tenant regarding the suitability of the Premises for Tenant's intended use, and Tenant waives all claims against Landlord regarding the suitability of the Premises for Tenant's intended uses. Landlord reserves the right to fix and determine rates charged (per Section 72 H&N).
- (b) Roof. Tenant shall have no right to use any portion of the roof of the Building for any purpose.
- (c) <u>Continuous Use.</u> Tenant shall continuously and uninterruptedly during the Agreement term, occupy and use the Premises for the purposes permitted under this Agreement.
- (d) <u>Hazardous Materials</u>. No goods, merchandise, or materials shall be kept, stored, or sold in such a manner as to create any unusual hazard on the Premises; and no offensive or dangerous trade, business, or occupation shall be conducted thereon, and nothing shall be done on the Premises which will cause an increase in the rate of or cause a suspension or cancellation of the insurance upon the Premises or upon adjacent properties or improvements thereon.

No machinery or apparatus shall be used or operated on the Premises, which will in any way injure the Premises, or adjacent properties or improvements thereon.

Tenant shall indemnify Landlord from any damages suffered by Landlord, including, without limitation, cleanup costs, as a result of the generation, use, storage, transport, or release of hazardous materials by Tenant in, on, or about the Premises or the Property. For the purpose of this Agreement, the term "hazardous materials" shall mean (A) those substances listed in Title 22 section 66680 of the California Administrative Code, (B) substances within the criteria set forth in Title 22 sections 66693 through 66723 of the California Administrative Code, (C) substances which, at any time during the term hereof, are added to the list described in paragraph (A) above or which are within any future criteria described in subparagraph (B) above, (D) petroleum and all byproducts and distillates thereof, and (E) asbestos. Prior to bringing or allowing any hazardous materials to be brought onto the Premise or Property, Tenant shall notify Landlord as to the identity of said materials and the safeguards to be used in connection therewith. Landlord shall be entitled, in its sole discretion, to refuse to allow hazardous materials to be brought onto the Premises or Property. Landlord's consent to the introduction of any hazardous material onto the Property (i) shall not release Tenant from its duty to indemnify Landlord for any damages resulting from such materials, (ii) shall not be deemed to waive Landlord's right to disapprove of any subsequent introductions of hazardous materials onto the Property whether of the same or of a different nature than the material to which Landlord consented, and (iii) may be revoked at any time, in Landlord's sole discretion, whereupon Tenant shall remove such materials from the Property within five (5) days of receipt of Landlord's demand for removal. In all events, if any hazardous materials become located upon the Property for any reason other than as consented to by Landlord in accordance with the foregoing procedure; Tenant shall immediately notify Landlord as to the same.

- (e) <u>Effect on Navigable Waters.</u> Under federal law, no construction, installation, dredging, filling, or other activity, which would have an effect on navigation, may be conducted in or adjoining navigable waters without a permit therefore first being issued by the Secretary of the Army. The Port Director determines whether any proposed facility of Tenant may be construed to have an effect on navigation. In the event the Port Director so determines, Tenant shall prepare at its expense a permit application for submittal by Landlord in Landlord's name to the Corps of Engineers, United States Army. The permit application shall be prepared in strict conformity with regulations published by the United States Army.
- (f) Non-permitted Uses. Tenant shall not permit the Premises to be used for any purpose not described in Paragraph 5(a) or for any unlawful purpose; and Tenant shall not perform, permit, or suffer any act of omission or commission upon or about the Premises which would result in a nuisance or a violation of the laws and ordinances of the United States, State of California, or City of Santa Cruz, as the same may be now or hereafter in force and effect. Without limiting the generality of the foregoing, Tenant specifically agrees not to cause or permit generation of unreasonable levels of noise from other sources, which might disturb liveaboard slip licensees, or residential neighbors of the Port District from 9:00 pm until 6:00 am each day during the lease term. Tenant further specifically agrees to prevent emission from the Premises into the air of any smoke or other noxious substances, or any odors reasonably deemed offensive to personnel of Landlord, liveaboard slip licensees or residential neighbors of the Port District.
- (g) <u>Compliance with Laws.</u> Tenant shall abide by all applicable rules, codes, regulations, resolutions, ordinances and statutes of Landlord, the City of Santa Cruz, County of Santa Cruz, California Coastal Commission, State of California, or other governmental body where applicable, respecting the use, operation, maintenance, repair or improvement of the Premises and equipment therein, and shall pay for any and all licenses or permits required in connection with the use, operation, maintenance, repair, or improvement of the Premises.

6. Ownership of Improvements. All structures, buildings, improvements, additions, and fixtures now existing or hereafter constructed, erected, or installed in or upon the Premises, and all alterations and additions thereto, shall be deemed a part of the Premises and title thereto shall be deemed vested in and remain in Landlord during the agreement term, and upon expiration or sooner termination of the agreement term shall remain upon and be surrendered with the Premises as part thereof.

7. Construction of Improvements.

- (a) <u>No Landlord Improvements.</u> Landlord shall not be obligated to install or construct any improvements, additions, or alterations (collectively called "improvements") on the Premises during the agreement term.
- (b) <u>Tenant Improvements.</u> Tenant may, at Tenant's expense, construct certain new additions and improvements to the Premises required in connection with the conduct of Tenant's business; provided, (a) that Tenant shall obtain, at Tenant's expense, all necessary plans and specifications for the construction of said additions and improvements, (2) that Tenant's plans and specifications shall be subject to review and prior written approval by Landlord, and (3) that Tenant shall be responsible for obtaining, at Tenant's expense, all necessary governmental permits and approvals for construction of any new additions or improvements to the Premises.
- (c) <u>Liens.</u> Tenant shall keep the Premises free from any liens arising out of any work performed, materials furnished, or obligations incurred by Tenant. Tenant shall indemnify and hold Landlord harmless against liability, loss, damage, cost, and all other expenses (including but without limitation, attorneys' fees) arising out of claims of lien for work performed or materials or supplies furnished at the request of Tenant or persons claiming under Tenant.

8. Taxes and Assessments.

- (a) Payable by Tenant. Tenant shall pay directly to the taxing authority during each year or partial year during the term hereof, all real and personal property taxes, general and special assessments, use and possessory taxes, environmental protection charges, and other charges of every kind or description whatsoever, foreseen or unforeseen, levied on or assessed against the Premises, improvements or personal property therein, the leasehold estate or any personal property therein, the leasehold estate or any subleasehold estate permitted by Landlord. Tenant shall pay each installment of such taxes and assessments prior to the date such installment becomes delinquent. The taxes and assessments to be paid by Tenant hereunder shall be prorated at the end of the agreement term, in order that Tenant will pay only the proportionate part of said taxes and assessments attributable to the period of the agreement term, based on the ratio of the unit's square feet to the building's total square feet.
- (b) <u>Substitute Taxes.</u> If at any time during the agreement, under the laws of the United States of America, the State of California, or any political subdivision thereof in which the Premises are located, a tax on rent or other charge by whatever name called, is levied, assessed, or imposed against Landlord, or against the rent payable hereunder to Landlord, as a substitute in whole or in part for any of the taxes described in Paragraph 8(a), Tenant, to the extent such substitute tax or other charge relieves Tenant from the payment of taxes provided for herein, shall pay such tax or other charge in the manner provided in this Paragraph 8.

9. Insurance.

- (a) Casualty Insurance. If indicated in Section 1, Landlord shall, at Tenant's expense, procure and maintain in full force and effect at all times during the term of this agreement, fire, and extended coverage insurance satisfactory to Landlord covering the Premises and all improvements therein in an amount not less than ninety percent (90%) of the actual replacement cost thereof. The insurance provided for in this Paragraph 9(a) shall, in Landlord's sole discretion, provide protection against all perils included within the classification of fire, extended coverage, vandalism, malicious mischief, special extended perils (all risk), including earthquake, and loss of rents covering Fixed Minimum Rent for a period of up to twelve (12) months, and shall contain an inflation endorsement. Insurance proceeds thereunder shall be payable to Landlord. Landlord shall have no obligation to insure against loss by Tenant to Tenant's leasehold improvements, fixtures, furniture, or other personal property in or about the Premises occurring from any cause whatsoever and Tenant shall have no interest in the proceeds of any insurance carried by Landlord. Landlord shall be entitled to carry any such insurance in the form of a blanket policy covering property in addition to the Premises. Tenant shall reimburse Landlord upon demand for its share of the cost to Landlord of any insurance policy or policies, which Landlord may carry on the Premises in accordance with this paragraph. Such costs shall include both premiums and deductibles. Tenant's share of the cost of such insurance shall be a prorated share based upon the portion of the building square footage contained within the Premises, or if in Landlord's reasonable judgment the foregoing square footage based apportionment does not fairly apportion the insurance costs related to the building, landlord may adjust such insurance costs as appropriate to reflect any disparity in risk level or other factors which may affect the relative cost of insurance between and among all tenants of the building; as to any blanket policy of insurance covering properties other than the building, the portion of insurance costs allocable to the building shall be as equitably determined by Landlord. The premiums for such insurance of Landlord shall be prorated as of the expiration of the agreement term so that Tenant pays only for insurance coverage attributable to the agreement term.
- (b) <u>Liability Insurance</u>. Tenant, at Tenant's sole expense, shall provide and keep in force at all times during the term of this agreement for the benefit of Landlord and Tenant general liability insurance policies with an insurance company reasonably satisfactory to Landlord, protecting Landlord and Tenant against any and all liability occasioned by any occurrence in, on, about, or related to the Premises in an amount not less than the amount indicated in Section 1, single combined limit for personal injury and property damage. Tenant shall cause Landlord to be named as an additional insured under such policy.
- (c) <u>Workers' Compensation Insurance.</u> Tenant shall procure, at its own expense, and shall keep in force during the agreement term, adequate insurance against liability arising on account of injuries or death to workers or employees on the Premises. Such workers' compensation insurance shall be in amounts at least equal to the maximum liability of Tenant, its agents, and contractors under the Workers' Compensation Insurance and Safety Act of the State of California or other applicable laws.
- (d) <u>Other Insurance.</u> Tenant shall procure, at its sole cost and expense, and shall keep in force, such other insurance in amounts from time to time reasonably required by Landlord against other insurable risks if at the time they are commonly insured against for business operations similar to that of Tenant.
- (e) <u>Written Notice of Cancellation or Reduction.</u> Each policy of insurance, which Tenant is required to procure and maintain in effect, shall contain the following clause:

"It is agreed that this policy shall not be cancelled nor the coverage reduced until thirty (30) days after the Port Director of Santa Cruz Port District shall have received written notice of such cancellation or reduction. The notice shall be sent by certified or registered mail and shall be deemed effective the date delivered to said Port Director, as evidenced by properly validated return receipt."

- (f) Waiver of Subrogation. Tenant and Landlord each hereby waives any and all rights of recovery against the other, and against the officers, employees, agents and representatives of the other, for loss of or damage to such waiving party or its property or the property of others under its control, where such loss or damage is insured against under any insurance policy in force at the time of such loss or damage to the extent of the insurance proceeds actually paid in connection therewith. Tenant and Landlord shall, upon obtaining any of the policies of insurance required or desired hereunder, give notice to the insurance carrier or carriers that the foregoing mutual waiver of rights of recovery is contained in this agreement, and shall each use their best efforts to cause the insurer for each such policy to waive in writing any rights of subrogation it may have against the other party.
- (g) <u>Submittal of Policies</u>. Tenant agrees to deposit with Landlord, at or before the times at which the insurance policies necessary to satisfy the insurance provisions of this agreement are required to be in effect, a copy of each such policy or policies required hereunder and to keep such insurance in effect and the policy or policies therefore on deposit with Landlord during the entire term of this agreement.
- (h) Review of Coverage. Landlord shall retain the right at any time to review the coverage, form, and amount of the insurance required hereby. If, in the opinion of Landlord, the insurance provisions in this agreement do not provide adequate protection for Landlord and for members of the public using the Premises, Landlord may require Tenant to obtain (or may obtain at Tenant's expense) insurance sufficient in coverage, form and amount to provide adequate protection. Landlord's requirements shall be reasonable but shall be designed to assure protection from and against the kind and extent of the risks, which exist at the time a change in insurance is required.

Landlord shall give Tenant written notice of changes in the insurance requirement and Tenant shall deposit copies of acceptable insurance policies with Landlord incorporating such changes within sixty (60) days following receipt of such notice.

The procuring of such required policy or policies of insurance shall not be construed to limit Tenant's liability hereunder nor to fulfill the indemnification provisions and requirements of this agreement. Notwithstanding said policy or policies or insurance, Tenant shall be obligated for the full and total amount of any damage, injury, or loss caused by Tenant's negligence or neglect connected with this agreement or with use or occupancy of the Premises.

(i) <u>Landlord's Remedies.</u> In case of failure on the part of Tenant to procure or to maintain in effect any insurance which Tenant is required to carry as provided in this Paragraph 9, Landlord may at its discretion, and in addition to any other remedies it may have upon failure of Tenant to procure or to maintain in effect any insurance which Tenant is required to carry as provided in this Paragraph 9, procure or renew such insurance and pay any and all premiums therefore and all monies so paid by Landlord shall be repaid by Tenant to Landlord upon demand.

10. Indemnification.

- (a) <u>Tenant's Hold Harmless</u>. Tenant hereby indemnifies Landlord against and holds Landlord harmless from any and all claims, damage, cost, liability, or expense, including but not limited to attorneys' fees and costs of suit, resulting from or arising out of Tenant's use of the Premises, Tenant's default in the performance of any obligation of Tenant under this agreement, any act or failure to act of Tenant or any employees, agents, contractors, customers, or other invitees of Tenant occurring in or about the Premises, or construction of any improvements by Tenant in the Premises. Such indemnification specifically includes without limitation any damage to property or injury or death to any person arising from the use of the Premises by Tenant or from the failure of Tenant to keep the Premises in good condition, order, and repair. Tenant expressly agrees to exercise due care in the handling of fuel or any other flammable materials in, on, or around the Premises. Tenant shall maintain on the Premises adequate firefighting equipment, which shall remain under the use, control, maintenance, and repair of Tenant.
- (b) <u>Tenant's Waiver of Claims.</u> Tenant hereby waives all claims against Landlord for damage to any property, goods, wares, or merchandise of Tenant stored in, upon, or about the Premises, and for injury to persons in, upon, or about the Premises from any cause whatsoever arising at any time, except as may be caused by the active negligence or willful misconduct of Landlord. Landlord shall not be liable to Tenant for any damage caused by any act or negligence of any person, other than Landlord's personnel, in, upon, or about the Premises, whether a customer of Tenant or otherwise. Tenant expressly waives any claims against Landlord for damage to Tenant's business on the Premises or loss of goodwill or any other damage to Tenant arising from complete or partial closure of the Santa Cruz Harbor at any time and from time to time, whether such closure shall result from inclement weather, excess deposits of sand in the harbor, or any other reason whatsoever. Landlord shall have no obligation or responsibility to dredge the entrance channel of the Santa Cruz Harbor.

11. Maintenance and Repairs.

- (a) Tenant's Obligations. Subject to Paragraph 15 below relating to damage and destruction, and subject to Landlord's maintenance responsibilities set forth in Paragraph 11(c) below, through the term of this agreement Tenant shall, at Tenant's sole cost and expense, maintain the Premises and every part thereof, and all fixtures, machinery and equipment located in or on the Premises and utilized in the conduct of Tenant's business in first class condition, order and repair, and in accordance with all applicable laws, rules, ordinances, orders and regulations of (1) municipal, county, state, federal, and other governmental agencies and bodies having or claiming jurisdiction of the Premises and all their respective departments, bureaus, and officials; and (2) all insurance companies insuring all or any part of the Premises or improves or both. For purposes of this paragraph, the obligation to repair includes the obligation to replace as and when reasonably necessary. Tenant hereby waives such rights as it may have under California Civil Code Sections 1941 and 1942 and any similar or successor laws that permit a tenant to perform repairs and offset the cost thereof against rent.
- (b) Outside Areas. Tenant acknowledges that the cleanliness and neat and attractive appearance of the interior and exterior of the Building and all other areas of the Premises are a material concern of Landlord. Accordingly, Tenant shall continuously exercise diligence throughout the agreement term in keeping the Premises and the Outside Area in a neat, clean, sanitary, and attractive condition. Tenant shall arrange for regular and prompt disposal of garbage generated by Tenant's operations on the Premises, and shall not permit garbage or refuse to accumulate in or around the Premises. Tenant shall not cause or permit offensive odors to emanate from the Premises.

- (c) <u>Landlord's Obligations</u>. Notwithstanding anything to the contrary contained in this Paragraph 11, and subject to the provisions of Paragraph 15 below relating to damage and destruction, Landlord shall maintain in good condition, order and repair the parking area upon the Property, the heating, ventilation and air conditioning equipment, if any, servicing the Premises, and the structural portions of the Building, including the roof, walls and foundation of the Building, except to the extent any such maintenance is necessitated by damages due to the negligence or greater culpability of Tenant, its agents, employees or invitees. Landlord shall have no obligation to maintain or repair under this Paragraph 11(c) until a reasonable period of time after receipt by Landlord of notice from Tenant of the need therefore, specifying the nature of the maintenance or repair needed.
- 12. <u>Utilities.</u> Tenant shall pay promptly as the same become due and payable its pro rata share of all bills and costs for water, gas, electricity, refuse pickup, sewer service charges, and any other utilities or services supplied to the Premises as indicated in Section 1. Tenant shall pay its pro rata share of utilities within five (5) days of receiving notice from Landlord as to the amount thereof. The parties hereby agree that Tenant's pro rata share of said utility costs shall be reasonably calculated by Landlord and conveyed to Tenant. In no event shall Landlord be liable to Tenant for any interruption or failure of any utility services to the Premises.

13. Assignment and Subletting.

- (a) <u>Landlord's Consent Required.</u> Tenant shall not assign, sublease, mortgage, pledge, hypothecate, encumber, or transfer the Premises or any part thereof, or this agreement or any rights or obligations hereunder without Landlord's written consent.
- (b) <u>Incorporation of Terms.</u> Should Landlord consent to any Transfer such consent shall not constitute a waiver of any of the terms, covenants, or conditions of this agreement. Such terms, covenants, or conditions shall apply to each and every transfer hereunder and shall be severally binding upon each and every encumbrancer, assignee, transferee, subtenant, or other successor in interest of tenant. Any document to mortgage, pledge, hypothecate, encumber, transfer, sublet, or assign the Premises or any part thereof shall incorporate directly or by reference all the provisions of this agreement.

14. Damage or Destruction.

- (a) <u>Partial Damage-Insured.</u> Subject to the provisions of Paragraphs 15(c) and 15(d), if the Premises or any improvements therein are damaged, such damage involves damage to the building to the extent of less than eighty percent (80%) of the then replacement value thereof (excluding excavations and foundations of the building), such damage was caused by an act or casualty covered under an insurance policy provided for in Paragraph 9, and the proceeds of such insurance received by Landlord are sufficient to repair the damage, Landlord shall at Landlord's expense repair such damage as soon as reasonably possible and this agreement shall continue in full force and effect.
- (b) <u>Partial Damage-Uninsured.</u> Subject to the provisions of Paragraphs 15(c) and 15(d), if at any time during the term hereof the Premises or any improvements are damaged, such damage involves damage to the Building to the extent of less than eighty percent (80%) of the then replacement value thereof (excluding excavations and foundations of the building), and the insurance proceeds received by Landlord are not sufficient to repair such damage, or such damage was caused by an act or casualty not covered under an insurance policy, Landlord may at Landlord's option either (a) repair such damage as soon as reasonably possible at Landlord's expense, in which event this continue in full

force and effect, or (b) give written notice to Tenant within thirty (30) days after the date of the occurrence of such damage of Landlord's intention to cancel and terminate this agreement as of the date of the occurrence of such damage.

- (c) <u>Total Destruction.</u> If at any time during the term hereof either the Premises or the improvements contained therein are damaged from any cause, whether or not covered by the insurance provided for in Paragraph 9, and such damage involves damage to the Building to the extent of eighty percent (80%) or more of the replacement value thereof (excluding excavations and foundations of the Building), including any total destruction required by any authorized public authority, this Lease shall at the option of Landlord terminate as of the date of such total destruction. Landlord shall exercise its right to terminate this agreement by delivery of notice to Tenant within thirty (30) days after the date that Tenant notifies Landlord of the occurrence of such damage. In the event Landlord does not elect to terminate this agreement, Landlord shall at Landlord's expense repair such damage as soon as reasonably possible, and this Lease shall continue in full force and effect.
- (d) <u>Damage Near End of Term.</u> If the Premises or the improvements therein are destroyed or damaged in whole or part during the last six (6) months of the term of this agreement, Landlord may at Landlord's option cancel and terminate this agreement as of the date of occurrence of such damage by giving written notice to Tenant of Landlord's election to do so within thirty (30) days after the date of occurrence of such damage.
- (e) Abatement of Rent. Notwithstanding anything to the contrary contained elsewhere in this Lease, if the Premises are partially damaged and Landlord repairs or restores them pursuant to the provisions of this agreement Paragraph 14, the Fixed Minimum Rent payable hereunder for the period commencing on the occurrence of such damage and ending upon completion of such repair or restoration shall be abated in proportion to the degree to which Tenant's use of the Premises is impaired during the period of repair; provided that, nothing herein shall be construed to preclude Landlord from being entitled to collect the full amount of any rental loss insurance proceeds if such rental loss insurance is then carried with respect to the Premises. Except for abatement of rent, if any, Tenant shall have no claim against Landlord for any damage suffered by reason of any such damage, destruction, repair, or restoration.
- (f) <u>Waiver.</u> Tenant waives the provisions of California Civil Code Sections 1932(2) and 1933(4), and any similar or successor statutes relating to termination of agreement when the agreement term is substantially or entirely destroyed, and agrees that such event shall be governed by the terms of this agreement.
- (g) <u>Tenant's Property.</u> Landlord's obligation to rebuild or restore shall not include restoration of Tenant's equipment, merchandise, or any improvements, alterations or additions made by Tenant to the Premises.
- (h) <u>Notice of Damage.</u> Tenant shall notify Landlord within five (5) days after the occurrence thereof of any damage to all or any portion of the Premises. In no event shall Landlord have any obligation to repair or restore the Premises pursuant to this Paragraph 14 until a reasonable period of time after Landlord's receipt of notice from Tenant of the nature and scope of any damage to the Premises, and a reasonable period of time to collect insurance proceeds arising from such damage (unless such damage is clearly not covered by insurance then in effect covering the Premises).

(i) Replacement Cost. The determination in good faith by Landlord of the estimated cost of repair of any damage, or of the replacement cost, shall be conclusive for purposes of this Paragraph 14.

15. <u>Eminent Domain.</u>

- (a) <u>Termination.</u> In the event the whole or any part of the Premises is condemned in the lawful exercise of the power of eminent domain by any public entity, then this agreement shall terminate as to the part condemned on the date possession of that part is taken.
- (b) <u>Partial Taking Renders Economically Unfeasible.</u> If only a part of the Premises is condemned, but such taking makes it economically unfeasible for Tenant to use the remainder of the Premises for the purposes contemplated by this agreement, then Tenant may, at its option, terminate this agreement as of the date possession of the condemned part is taken by giving written notice to Landlord of its intention within thirty (30) days following the date said possession is taken.
- (c) <u>Partial Taking with Business Continued.</u> If only part of the Premises is condemned and this agreement terminated as set forth above, then this Lease shall, as to the condemned portion of the Premises, terminate as of the date possession of such portion is taken. The Fixed Minimum Rent shall thereupon be reduced in the same proportion that the area of the Premises taken bears to the initial total area of the Premises. Fixed Minimum Rent, as so reduced, shall continue to be subject to adjustment in accordance with Paragraph 4 hereof.
- (d) <u>Repairs.</u> Tenant shall, at its sole cost and expense and in a prompt and expeditious manner, make all necessary repairs or alterations to the remainder of the Premises so as to make them reasonably suitable for Tenant's continued occupancy for those uses and purposes contemplated by this agreement.
- (e) <u>Compensation.</u> All compensation awarded or paid upon the total or partial taking of the fee title to the Premises or part of the Premises, or for the taking of all or any portion of the Premises, shall belong to Landlord. The Building and other improvements made by Landlord on the Premises at Landlord's expense shall belong to Landlord. Landlord shall not be entitled to any compensation paid to Tenant for costs incurred by Tenant in removing its furniture, equipment, and trade fixtures from the condemned Premises.
- 16. <u>Tenant Default.</u> Tenant shall be deemed in default under this agreement upon occurrence of any of the following:

(a) Tenant Default

- (1) Tenant fails to pay a monetary sum when due under this Lease (provided that Tenant shall not be deemed in default if Tenant pays such sum within ten (10) days after notice from Landlord that such sum is overdue; and provided further that, Tenant shall not be entitled to any such ten (10) day grace period or notice and shall be deemed in default immediately upon failure to so pay when due if Landlord has already delivered two notices of overdue payments within the immediately preceding twelve (12) month period;
- (2) Tenant fails to perform any of its other obligations under this agreement provided that, if such failure is of the nature that it may be cured, Tenant shall not be deemed in default if Tenant cures such failure within twenty (20) days after notice from Landlord of such failure;

- (3) Tenant's interest in the Premises or the Lease, or any part thereof, is assigned or transferred, either voluntarily or by operation of law (except as expressly permitted by other provisions of this agreement), including, without limitation, the filing of an action by or against Tenant, or by any member of Tenant if Tenant is a partnership or joint venture, under any insolvency or bankruptcy laws, or if Tenant makes a general assignment for the benefit of its creditors, or;
- (4) Tenant vacates, abandons, or surrenders the Premises during the agreement term. In the event of a default by Tenant under this agreement, Landlord may pursue such remedies as it may have for such default under law or in equity, including but not limited to the remedies set forth below.
- (b) <u>Repossession.</u> Landlord may repossess the Premises and remove all persons and property therefrom. If Landlord repossesses the Premises because of a breach of this Lease, this agreement shall terminate and Landlord may recover from Tenant:
- (1) the worth at the time of award of the unpaid rent, which had been earned at the time of termination including interest at ten percent (10%) per annum;
- (2) the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided including interest at ten percent (10%) per annum;
- (3) the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for the same period that Tenant proves could be reasonably avoided, computed by discounting such amount by the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%); and
- (4) any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under this agreement or which in the ordinary course of things would be likely to result therefrom.
- (c) <u>No Repossession.</u> If Landlord does not repossess the Premises, then this agreement shall continue in effect for so long as Landlord does not terminate Tenant's right to possession and Landlord may enforce all of its rights and remedies under this agreement, including the right to recover the rent and other sums due from Tenant hereunder. For the purposes of this Paragraph 16, the following do not constitute a termination of Tenant's right to possession:
- (1) Acts of maintenance or preservation by Landlord or efforts by landlord to relent the Premises; or
- (2) The appointment of a receiver by landlord to protect Landlord's interest under this agreement.
- 17. <u>Attorneys' Fees.</u> If any action at law or in equity shall be brought to recover any rent under this Lease, or for or on account of any breach of or to enforce or interpret any of the terms, covenants, agreements, or conditions of this agreement or for the recovery of the possession of the Premises, the prevailing party shall be entitled to recover from the other party, as a part of the

prevailing party's costs, reasonable attorneys' fees, the amount of which shall be fixed by the court and shall be made a part of any judgement rendered. "Prevailing party" within the meaning of this paragraph shall include, without limitation, a party who brings an action against the other party after the other party's breach or default, if such action is settled or dismissed upon the payment by the other party of the sums allegedly due or performance of the covenants allegedly breached or the plaintiff obtains substantially the relief sought by it in the action.

18. Removal of Property. Tenant hereby irrevocably appoints Landlord as agent and attorney in fact of Tenant to enter upon the Premises in the event of a default by Tenant in the payment of any rent herein reserved, or in the performance of any term, covenant, or condition herein contained to be kept or performed by Tenant, and to remove any and all furniture and personal property whatsoever situated upon the Premises, and to place such property in storage for the account of and at the expense of Tenant. In the event that Tenant shall not pay the cost of storing any such property after the property has been stored for a period of ninety (90) days or more, Landlord may sell any or all of such property, at public or private sale, in such manner and at such times and places as Landlord in its sole discretion may deem proper, without notice to Tenant or any demand upon Tenant for the payment of any part of such charge or the removal of any such property and shall apply the proceeds of such sale first to the costs and expenses of such sale, including reasonable attorneys' fees actually incurred; second, to the payment of the costs of any other sums of money which may then or thereafter be due to Landlord from Tenant under any of the terms hereof; and fourth, the balance, if any, to Tenant.

19. Subordination.

- (a) <u>Subordination of Lease.</u> This agreement at Landlord's option shall be subordinate to any mortgage, deed of trust, or any other hypothecation for security now or hereafter placed upon all or any portion of the Premises and to any and all advances made on the security thereof and to all renewals, modifications, consolidations, replacements and extensions thereof. Notwithstanding such subordination, Tenant's right to quiet possession of the Premises shall not be disturbed if Tenant is not in default and so long as Tenant shall pay the rent, observe, and perform all of the provisions of this agreement unless this agreement is otherwise terminated pursuant to its terms. If any mortgagee or trustee shall elect to have this agreement prior to the lien of its mortgage or deed of trust, and shall give written notice thereof to Tenant, this agreement shall be deemed prior to such mortgage or deed of trust, whether this agreement is dated prior or subsequent to the date of said mortgage or deed of trust or the date of recording thereof.
- (b) Execution of Documents. Tenant agrees to execute any documents required to effectuate such subordination or to make this agreement prior to the lien of any mortgage or deed of trust, as the case may be, and failing to do so within ten (10) days after written demand, does hereby make, constitute and irrevocably appoint Landlord as Tenant's attorney in fact and in Tenant's name, place and stead, to do so.

20. Landlord's Right to Reenter.

- (a) <u>Peaceable Surrender.</u> Tenant agrees to yield and peaceably deliver possession of the Premises to Landlord on the date of termination of this agreement regardless of the reason for such termination. Upon giving written notice of termination to Tenant, Landlord shall have the right to reenter and take possession of the Premises on the date such termination becomes effective without further notice of any kind and without institution of summary or regular legal proceedings. Termination of the agreement and reentry of any Premises by Landlord shall in or way alter or diminish any obligation of Tenant under the Lease terms and shall not constitute an acceptance or surrender.
- (b) <u>Waiver of Redemption and Stipulated Damages.</u> Tenant waives any and all right of redemption under any existing or future law or statute in the event of eviction from or dispossession of the Premises for any reason or in the event, Landlord reenters and takes possession of the Premises in a lawful manner.
- 21. <u>Notices.</u> All notices, statements, demands, requests, approvals or consents given hereunder by either party to the other party shall be in writing and shall be sufficiently given and served upon the other party if served personally or if sent by first class mail of the United States Postal Service, certified, return receipt requested, postage prepaid, and addressed to the parties as indicated in Section 1, or to such other address as any party may have furnished to the others as a place for the service of notice. Notices sent by mail shall be deemed served on the date actually received, as indicated on the return receipt.
- 23. <u>No Commission.</u> Landlord and Tenant each agree that Landlord and Tenant, respectively, have not had any dealings with any realtor, broker, or agent in connection with the execution of this agreement. Tenant shall pay the commission or compensation payable to any agent or broker employed by Tenant in connection with the execution of this agreement.
- 24. <u>Waiver.</u> The waiver by Landlord or Tenant of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or condition or any subsequent breach of the same or any other term, covenant, or condition herein contained. The subsequent acceptance of rent hereunder by Landlord shall not be deemed to be a waiver of any preceding breach by Tenant of any term, covenant, or condition of this agreement, other than the failure of Tenant to pay the particular rent so accepted, regardless of Landlord's knowledge of such preceding breach at the time of acceptance of such rent. Landlord's acceptance of partial payments of rent or any other sum due hereunder shall not be deemed a waiver of its right to recover the full amount of such payment and shall not be deemed an accord and satisfaction whether or not the amount due is disputed by the parties.
- 25. <u>Holding Over.</u> Any holding over after the expiration of the term with the consent of Landlord shall be construed to be a tenancy from month to month on the same terms and conditions specified herein so far as applicable.
- 26. Parking. Tenant acknowledges that all parking areas and all other common areas within the Santa Cruz Small Craft Harbor shall remain under the operation and control of Landlord. The manner in which such areas and facilities are operated and maintained shall be at the sole discretion of Landlord, and the use of such areas and facilities shall be subject to such rules and regulations as Landlord shall make from time to time. Landlord shall have the right to regulate access and parking and to install parking meters in such parking areas.

- 27. <u>Non-Discrimination.</u> Tenant agrees in the conduct of Tenant's business not to discriminate against any person or class of persons by reason of sex, race, creed, national origin, age, or physical condition. Tenant shall make its accommodations and services available to all persons on equal and reasonable terms.
- 28. Entry by Landlord. Landlord and its agents shall be entitled to enter into and upon the Premises at all reasonable times, upon reasonable notice (except in the case of an emergency, in which event no notice shall be required), for purposes of inspecting or making repairs, alterations or additions to all or any portion thereof, or any other part of the Building, including the erection and maintenance of such scaffolding, canopies, fences and props as may be required, or for the purpose of posting notices of non-responsibility for alterations, additions, or repairs, and during the one hundred eighty (180) day period prior to the expiration of this agreement to place upon the Premises any usual or ordinary "for rent" signs and exhibit the Premises to prospective tenants at reasonable hours, all without any abatement of rent and without liability to Tenant for any injury or inconvenience to or interference with Tenant's business, quiet enjoyment of the Premises, or any other loss occasioned thereby.

29. General.

- (a) <u>Entire Agreement.</u> This agreement contains all of the terms, covenants, and conditions agreed to by Landlord and Tenant and it may not be modified orally or in any manner other than by an agreement in writing signed by all of the parties to this agreement or their respective successors in interest.
- (b) <u>Covenants and Conditions.</u> Each term and each provision of this agreement performable by Tenant shall be construed to be both a covenant and a condition, all of which conditions shall be for the sole benefit of Landlord.
- (c) <u>Binding on Successors.</u> The covenants and conditions hereof, subject to the provisions as to subletting and assignment, shall apply to and bind the heirs, successors, executors, administrators, sublessees, and assigns to the parties.
- (d) <u>Joint and Several Liability.</u> All persons who have signed this agreement shall be jointly and severally liable hereunder.
- (e) <u>Gender.</u> When the context of this agreement requires, the masculine gender includes the feminine, a corporation, or a partnership, and the singular number includes the plural.
- (f) <u>Captions.</u> The captions of the numbered and lettered paragraphs of this agreement are for convenience only and are not a part of this agreement and do not in any way limit or amplify the terms and provisions of this agreement.
- (g) <u>Governing Law.</u> This agreement shall be governed by and construed in accordance with the laws of the State of California.
- (h) <u>Time of Essence.</u> Time is of the essence as to all of the provisions of this agreement.
- (i) <u>Partial Invalidity.</u> If any term, covenant, condition, or provision of this agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the

provisions hereof shall remain in full force and effect and shall in no way be affected, impaired, or invalidated thereby.

- (j) <u>Relationship.</u> Tenant shall not be an agent of Landlord for any purpose, and nothing in this agreement shall be deemed to create a partnership relationship between Tenant and Landlord.
- (k) <u>No Recordation.</u> Tenant shall not record either this Agreement or a short form memorandum of this agreement.
- (I) <u>Calendar Days.</u> All references herein to "days" shall mean calendar days unless otherwise stated.

IN WITNESS WHEREOF, the parties hereto have executed this agreement as of the date first above written.

SUBJECT: Award of Contract for Consulting Services – Horizon Water and Environment (NTE:

\$65,000)

Recommendation: Approve the contract for consulting services.

BACKGROUND

The U.S. Army Corps of Engineers (Corps) regulates and permits all in-water and overwater construction related activities performed within Santa Cruz Harbor (i.e. repair and maintenance to docks, piers, and piles). Over the years, staff has been successful in obtaining individual, project specific permits from the Corps on an as needed basis. The permit approval process is extensive and typically takes several months to complete.

In an effort to streamline the permit approval process staff is actively pursuing a Regional General Permit (RGP) from the Corps. The proposed RGP would authorize routine maintenance activities within Santa Cruz Harbor over a five-year period. Staff intends to propose a broad range of maintenance, repair and rehabilitation activities as part of the RGP. This broad-based authority will ensure critical maintenance, repair and rehabilitation projects are not delayed or put on hold because a permit is needed, and will expedite completion of emergency repair work. At a minimum, staff anticipates the permit will allow for as-needed maintenance and repair of existing facilities, including, but not limited to docks, brow piers, pilings, and shoreline stabilization, including seawalls. The RGP will not permit annual maintenance dredging activities.

Due to the extensive application process for the RGP, which may take upwards of 12 months, staff solicited quotes from consulting firms with direct, relevant experience in planning and project permitting for marine infrastructure projects. Horizon Water and Environmental submitted the most complete and comprehensive proposal in an amount not-to-exceed \$62,100.

Horizon Water and Environmental (Horizon) is an environmental consulting firm that began business in 2008. They specialize in planning, watershed science, and environmental compliance for water and natural resource projects. Horizon has extensive experience with regulatory requirements and permitting, and have established relationships with Corps personnel. Horizon has navigated the RGP process for other agencies, including the County of San Mateo.

ANALYSIS

Horizon will assist the District with all aspects of the RGP submittal process, which includes the following tasks:

TASK 1: PROJECT DEFINITION

Horizon will work with District staff to develop and define proposed infrastructure maintenance and repair activities.

Horizon will initiate a pre-application meeting with the Corps to confirm final direction and submittal requirements for the application. Horizon will subsequently revise the project description based on input received from the Corps, if needed.

TASK 2: TECHNICAL STUDIES

Wetland Delineation:

Horizon will draft a preliminary jurisdictional delineation report for the proposed routine maintenance activities in the project area, in accordance with the Corps' 1987 Wetland Delineation Manual and 2010 Regional Supplement to the Corps of Engineers Wetland Delineation Manual: Western Mountains, Valleys, and Coast Region (Version 2.0).

The Port District has performed jurisdictional delineations for previous projects, the most recent example being the Aldo's Seawall Replacement Project. Because it has been determined that non-tidal wetlands are not present within the harbor, staff anticipates utilizing pre-existing survey data to achieve savings and complete this portion of Task 2.

Biological Assessment: Horizon will prepare a biological assessment to support the Corps' Endangered Species Act (ESA) consultations for species covered by U.S. Fish and Wildlife and National Marine Fisheries Service.

> The assessment will identify the potential for "take" of federally listed species and identification of specific avoidance and minimization measures to ensure that effects are avoided and minimized to the extent practicable.

Cultural Resources:

In accordance with Section 106 of the National Historic Preservation Act, Horizon will develop an Area of Potential Effect for the project and a preliminary assessment of the area will be conducted for potential historic resources and archaeological sites using relevant maps and documents. There is pre-existing data available which can be utilized to achieve savings and complete this Task 2 requirement. Findings will be submitted to the Corps for consultations with State Historic Preservation Officer and interested local Native American organizations, as necessary.

Alternatives Analysis:

Horizon will prepare a 404(b)(1) Alternatives Analysis report to determine if there is a practicable alternative to the proposed project (specific to construction activities only) that would have less adverse impact on the aquatic ecosystem, without other significant adverse consequences. This is relative to materials and methods to be employed for maintenance, rehabilitation and repair projects (e.g., use of a silt curtain for pile removal and replacement, or implementing best management practices to ensure harbor waters are not contaminated or polluted by maintenance activities).

TASK 3: PERMIT APPLICATION

Horizon will prepare a permit application package for submittal to the Corps. Horizon will routinely coordinate with the Corps to advance the application through the permitting process.

TASK 4: OTHER REGULATORY AGENCY COORDINATION

Horizon will coordinate with the Regional Water Quality Control Board, California Department of Fish and Wildlife, and California Coastal Commission to identify which permits may be required from these agencies. The Port District may choose to utilize the services of Horizon to assist in developing the necessary permit applications; however, those services are not covered under this contract.

IMPACT TO PORT DISTRICT RESOURCES

Horizon anticipates completing Tasks 1 and 2 at an amount not to exceed \$32,000 in FY20, and Tasks 3 and 4 in FY21 in an amount not to exceed \$33,000. Adequate funding for the project is available in the FY20 Environmental and Permitting budget, and adequate funding will be included in the FY21 budget.

SUBJECT: Review / Approve Design Plans for Pappy Display Cradle and Authorize Public Bid

Process

Recommendation: Review and approve design plans and authorize public bid process

for "Pappy" display cradle.

BACKGROUND

The Commission reviewed the display cradle concept by Hogan Land Services for the vessel *Pappy* at its regular meeting on August 27, 2019. The Commission directed staff to proceed with the project based on the schematic design.

The project plans by Hogan Land Services are appended as Attachment A, and a cost estimate by Myles F. Corcoran is appended as Attachment B.

ANALYSIS

The project site is located on the harbor's east side on the parking lot island that separates the concession parking area from the launch ramp parking lot. *Pappy* would be placed on the cradle, facing the water. The project requires some minor excavation, and features low level lighting, pavers and a rope barrier. It requires removal of an existing shrub that is approximately 15' tall. The cradle has been designed to withstand seismic loads, and the cradle height has been lowered somewhat to reduce the height of the space underneath the vessel.

Geoff Fleissner of Hogan Land Services will attend the Commission meeting and be available to answer questions about the plans.

Staff recommends the Commission authorize a public bid process for the project.

IMPACT TO PORT DISTRICT RESOURCES

In FY19, the Commission authorized \$20,000 in funding to the Capital Improvement Program ("CIP") for the *Pappy* Park project.

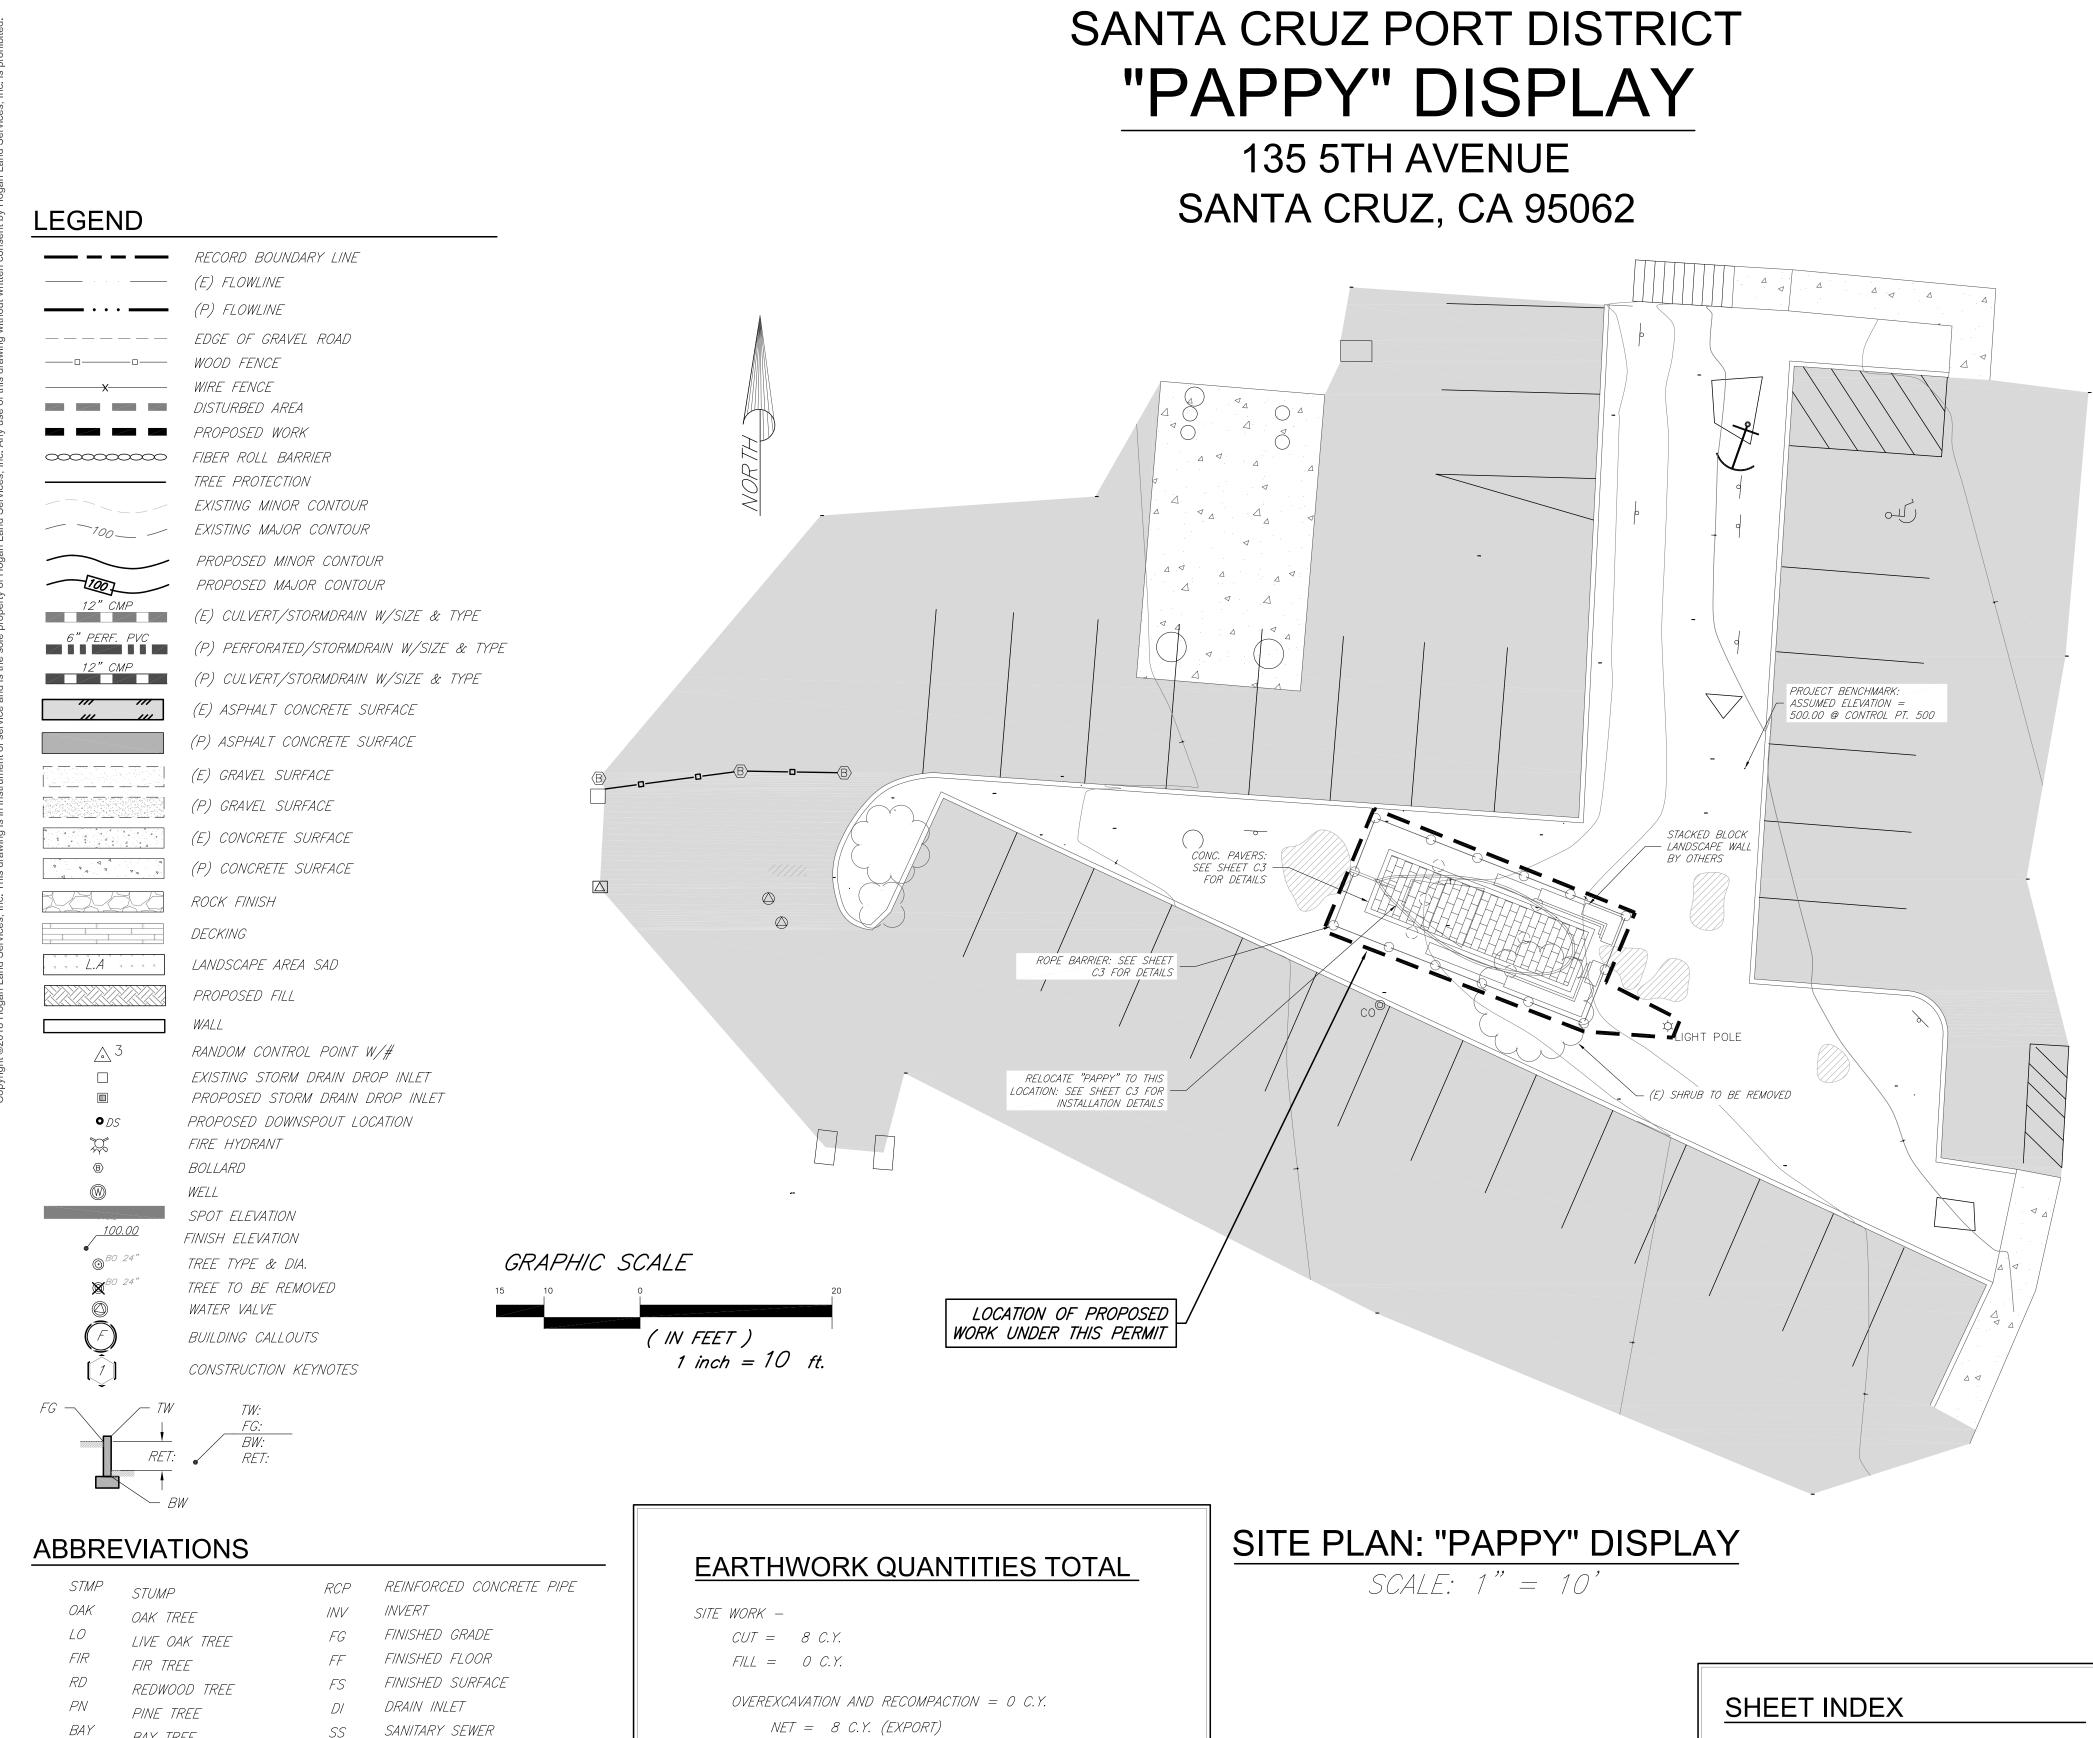

Design plan and construction cost estimating contracts for the project total \$11,500. Factoring in a \$2,000 allowance for staff labor for the public bid process, obtaining permits, construction administration, preparing and setting *Pappy* on the cradle, there is approximately \$7,500 remaining in the CIP for this project.

The cost estimate by Myles Corcoran Construction Consulting is \$51,243. If bids are in keeping with the cost estimate, the funding shortfall is approximately \$43,750, not factoring in any contingency amount. As of September 2019, there is \$548,516 available in the Unallocated CIP fund. If the Commission authorizes bidding for the project to proceed, a recommendation to fund the project from the Unallocated CIP would be presented to the Commission for approval at the time of contract award.

Alternatively, the Commission may wish to consider authorizing construction of the cradle utilizing in-house crews, which would reduce overall project costs. While this is certainly feasible, current workload and impacts on personnel resources should be considered.

Pappy Display Conceptual Cost Estimating **RE: Conceptual Cost Estimate**

Dear Mr. DeWitt:

We have prepared a conceptual cost estimate to build the vessel cradle and associated site work to display Pappy. This estimate is based on plans from the Santa Cruz Port District by Hogan Land Services dated 10/2/19, 3 pages.

We believe this estimate should be within 10% of actual construction costs in the current market.

Our estimate is \$51,243.00. See assumptions and exclusions below.

Assumptions:

- 1. Labor is based on government-project prevailing wages.
- Mark-up is calculated as follows: 7% for Supervision, 5% for General 2. Conditions (toilet, hauling, clean-up, etc.), 5% for Contingency, 10% for Overhead, and 10% for Profit. Together, that totals a 37% mark-up.
- 3. 12 Volt LED lighting switched by existing light pole with transformer and tamper resistant underground box.
- Pressure treated lumber, lightly sandblasted (Distressed) with ends and all 4. drill outs or other cuts treated on site.
- 5. Parking lot is available for construction vehicles.
- Site fencing 6 foot tall chainlink, approximately 150 lineal feet perimeter for 6. worker area is different than shown on plans.

Exclusions:

- 1. Permits and time to obtain and manage permits.
- 2. Storing, lifting, moving, and setting Pappy on the cradle.

Thank you for the opportunity to assist with this project. If you have any questions, please let us know.

Very truly yours,

Tony Demma Inspector/consultant

Port Director's Report Debrief – California Marine Affairs and Navigation Conference (C-MANC) San Rafael, CA October 9-11, 2019

Attendees: Commissioner Goddard / Port Director Marian Olin

Commissioner Goddard attended CMANC's Board of Directors on Wednesday, October 9 as a new board member.

Member meetings were scheduled all day on Thursday, October 10, and a half day on Friday, October 11. In recognition of its members' busy schedules, CMANC's board is considering making modifications to its future meeting schedule to find efficiencies and increase attendance.

C-MANC hosted a variety of speakers (agenda attached). Mr. Stu Townsley and Mr. Jay Kinberger of the US Army Corps of Engineers ("USACE") both gave presentations. They are the Port District's direct contacts for the federal cost share reimbursement for our dredging operation. We were able to discuss the procedure and timing for the anticipated increase in our annual federal reimbursement from \$385,000/year to approximately \$525,000/year, and we discussed scheduling the new Commander of the San Francisco District, Lt. Col. Cunningham, to visit Santa Cruz Harbor in December and tour the dredge while in operation. Other speakers addressed regulatory issues and impacting California ports and harbors, and technology issues and opportunities and the US economy.

There was some interesting discussion and debate about a perception that the Corps' procedures create stagnation and an inability to respond to changing priorities to address critical issues such as sea level rise and wetland rebuilding through beneficial reuse of dredged material.

The meeting is an excellent opportunity to maintain and make new relationships with managers of other ports and harbors, regulators and marine industry professionals, including engineers and dredging contractors. The Port of San Diego shared valuable information relative to their Regional General Permit that will help the Port District with its permit effort. Many small harbors are interested in learning more about the Port District's dredging program and our Agreement with the USACE. The attendee list is attached.

CMANC updated its project funding recommendations for FY20 for Santa Cruz Port District to match the increased reimbursement we are seeking under our Memorandum of Agreement with the USACE. CMANC was scheduled to go to Washington, DC the following week and discuss its recommendations with agencies, legislators and their staff members.

DATE: October 21, 2019

SUBJECT: Harbormaster's Report -September 2019

California Coastal Cleanup Day

Harbor Patrol staff participated in a coastal cleanup focusing on waterside debris cleanup within the harbor. Staff utilized the patrol vessel and assisted eight volunteers on stand-up paddle boards with collecting garbage and debris. The volunteer team, along with the Harbor Patrol, removed nearly 70 pounds of debris from the waterway.

Patrol Vehicle

We are excited to announce that the Harbor Patrol's new patrol vehicle has been delivered. The vehicle is a 2019 Ford F150 crew cab pickup. Final outfitting is currently being done in Hollister and will include the addition of lights, siren, radio, cage and other law enforcement equipment.

Pile Replacement Project

Harbor Patrol staff has been working diligently with Bellingham Marine to coordinate vessel relocations for the Pile Repair and Replacement Project. The project comes at a time when available space is limited due to other activities such as north harbor dredging and the Aldo's Seawall Replacement Project.

Staff has been tasked with clearing docks so that the project's workflow is not interrupted. Thus far, staff has performed over 160 vessel relocations, with that number expected to be roughly 250 by the end of the project. In addition to vessel relocations, staff has been coordinating the "no parking" zones near E and F Docks to accommodate piling deliveries. Areas of the parking lot must be closed so that the large semi-trucks delivering the pilings can exit the harbor.

Entrance Sounding

With the commencement of the 2019-20 dredge season, Harbor Patrol staff will resume regular mapping of the entrance depths beginning the week of November 5, 2019. Soundings will be performed on Sundays and Wednesdays, weather permitting, or on an as-needed basis. Sounding data will be posted online.

Search and Rescue Vessel

The final grant paperwork for the new patrol boat has been submitted to the State of California, Department of Natural Resources. Staff anticipates receiving the grant agreement from the State within the next couple of weeks. Once authorization is received, staff will meet with representatives from Moose Boats to sign the contract, submit the initial payment, and begin the construction process. Staff will be in contact with the manufacturer and will make several visits to Vallejo during the build process. It is expected that the vessel will be ready for delivery in 12-14 months from the time of contract execution.

Offshore Certification

Senior Harbor Patrol staff is planning a night operations training for those Deputy Harbormasters who are in the process of obtaining their offshore certification. The training will focus on instrument use, navigation in low visibility, and will likely entail a voyage to Moss Landing Harbor. It is important for offshore certified coxswains to be familiar with entering other local harbors at night, should the need arise.

Crab Season

Staff anticipates that commercial crabbers will begin to ready their traps in preparation for the 2019 crab season. Staff will assign parking spaces to those individuals wishing to prepare gear in the parking lot. We are hopeful that the 2019 season proves bountiful for our local fleet.

Catamaran Storage

Its transition time for the catamaran beach storage program and you will begin to see the vessels move to the approved winter storage area in the main launch ramp parking lot. The catamarans are cleared off the beach to make room for dredging equipment and to be protected from winter storms. The catamarans then move back to the beach in late March to make room for trailers during the salmon season.

Facilities and Engineering Manager's Report

Public Meeting of October 29, 2019

Dredging:

Twin Lakes

Twin Lakes was moved to the south harbor on October 14, 2019. The tow went well and once she arrived at the digging grounds, staff spun her around and secured her with the anchors.

Dauntless

The rudder indicator is scheduled to be installed on the *Dauntless* on October 25, 2019.

Sauirt

North harbor dredging commenced on Tuesday, October 1, 2019. The new serrated cutter head that was installed during the offseason is working well. The serrated edges perform more effectively in the coarse-grained material than the previous cutter head with smooth edges.

Toyo Pump

A new jet ring has been purchased and is scheduled to be delivered in late November or early December. The jet ring will help the Toyo dig a larger footprint in the fine-grained material by using pressurized water to blast mud and compacted material into slurry for disposal. The Toyo will be used in both the north harbor and entrance dredging operations this year.

Maintenance:

275 Lake Avenue

Crews completed the following improvements to the building at 275 Lake Avenue:

Exterior paint, dry rot repairs, termite damage repairs, window repairs, interior paint touch-up, and baseboard replacement.

345 Lake Avenue

Crews replaced the ceiling in the back-meeting room in the Save Our Shores office space, which was damaged after a galvanized water pipe between the first and second floors failed. Crews replaced the section of the broken pipe and completed the repair.

2222 East Cliff Drive

After a ceiling leak and a strong odor were reported from the upstairs men's restroom, crews found that the cast iron floor drain and trap primer had failed. Crews changed the drain and trap primer.

Miscellaneous:

Car Show

The 6th annual Santa Cruz Harbor Classic Car Show was held on Sunday, October 13, 2019. This year's show was well attended and had the largest registration turn out yet, totaling 92 cars and trucks. Spectators enjoyed beautiful weather, classic cars, and live music. The custom-made trophy was awarded to Robert Scott with his 1967 Chevy Malibu for "Best in Show".

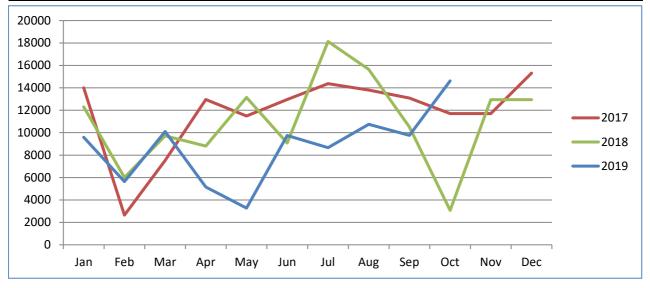

Pile Project

To date, Bellingham has driven 55 of the 80 piles scheduled to be replaced. There are 11 piles remaining to be driven in the north harbor and 14 remaining in the south harbor. Bellingham plans to complete the work in the north harbor by the end of October, and move to the south harbor to complete work by the second week of November. Demobilization is scheduled for the third week in November.

Santa Cruz Port District 60 DAY DELINQUENT ACCOUNTS

The following accounts have balances 60 days delinquent as of October 23, 2019

Crime/Incident/Citation Report - September 2019

Search and Rescue, Patrol Boat Response

| 9.1.19 | Harbor Patrol responded to a report of a capsized vessel in the area of Davenport Beach. While underway, U.S Coast Guard Sector San Francisco reported that their helicopter had located the vessel and observed six victims clinging to the hull. A rescue swimmer had been deployed from the air. Harbor Patrol arrived on-scene and retrieved three of the victims, while a Coast Guard vessel retrieved the other three. All victims were transported back to the harbor launch ramp for medical evaluation by paramedics. All six victims were medically cleared and released. The |
