

TO: Port Commission  
FROM: Holland MacLaurie, Port Director  
DATE: February 1, 2024  
SUBJECT: Review of Draft FY25 Budget and 5-Year Capital Improvement Program

**Recommendation:** *Discuss the proposed FY25 draft budget and capital improvement projects, and:*

- 1. Review and approve contributions to the Reserve Fund, Capital Improvement Fund and Dredge Fund; and,***
- 2. Provide direction to staff on proposed projects to include in the FY25 Capital Improvement Program (CIP); and***
- 3. Provide direction to staff on any other fee increase(s), and other revisions to incorporate into the final budget for presentation on February 27, 2024.***

## **BACKGROUND**

The FY25 draft budget report (Attachment B) is presented concurrently with the proposed 5-Year Capital Improvement Program (CIP). The CIP is incorporated into the draft budget document. The draft budget provides detailed worksheets depicting the operating budget and debt service, a recommended funding level for dredge equipment / projects (Dredge Fund), and recommended capital projects and capital outlay.

Each year, staff presents a balanced budget, giving the Commission the ability to deliberate reserve funding, projects, capital outlay, while considering fee increases and the projected debt service ratio. The draft FY25 budget exceeds the required debt service ratio of 1.25%.

The FY25 draft budget accounts for financial challenges that may result from a second-year closure of the salmon fishery, as well as other economic factors such as ongoing supply chain challenges, historic inflation, and continuing escalations in annual insurance premium costs. Additionally, the proposed budget allocates resources to address ongoing priorities, which include building long-term financial sustainability, addressing key infrastructure needs, and strengthening community outreach.

## **ANALYSIS**

### ***Reserve Policy***

The Port District's Reserve Policy identifies the target amount to be held in reserve as 25% of the District's annual operating expenses in the current fiscal year's adopted budget. In FY19, the Port District first met its reserve funding goal of 25% of annual operating expenses.

In October 2022, the Port Commission approved resolution 22-28, authorizing a one-time expenditure from the Reserve Fund in the amount of \$825,000 for the 2222 East Cliff Drive Deck Replacement Project. At that time, the Commission determined that concession income derived from 2222 East Cliff Drive, Suites 200, 204, 208, 212, 216, and 220 would reimburse the Reserve Fund in an amount not less than \$117,857 per annum for 7 years, beginning in Fiscal Year 24.

The FY25 draft budget includes a proposed contribution in the amount of \$240,481, which is comprised of the annual \$117,857 reimbursement, and an additional contribution of \$122,624 to keep pace with budgeted expenses. With these contributions, the Reserve Fund balance increases to approximately \$1,836,776.

**Capital Improvement Program (CIP)**

The annual funding goal for the Capital Improvement Program was initially set at \$500,000, and in February 2020, was increased to \$750,000, if practicable. The draft budget achieves the \$750,000 funding goal. As a result, the FY25 draft budget proposes new funding in the amount of \$750,000, and assignment of \$345,000 in existing Unallocated CIP Funds to support identified projects<sup>1</sup>.

**Dredge Fund (DF)**

A proposed contribution of \$152,000 to the DF supplements funding projected to remain at the end of FY24, bringing the total balance to approximately \$279,757. Planned maintenance and replacements for FY25 are listed in the draft budget report under “Dredge Fund.”

There are currently no unfunded DF items in the FY25 draft budget.

**Staffing**

Employee bargaining groups (Harbor Management Group, Harbor Employees’ Association, and Operating Engineers Local No. 3) entered into new labor contracts for the period January 1, 2022, through December 31, 2024. These contracts establish salary costs for the term of the agreements and any increases have been factored into the FY25 draft budget.

The FY25 draft budget does not propose any changes to the current employee count, which is established at 29 full-time equivalent (FTE) employees, however it does account for the addition of one provisional Harbor Maintenance Worker employee.

Overall, Personnel Services costs in FY25 are approximately 3% over FY24, which is attributable to negotiated contract increases, health premium increases, CalPERS-related pension costs, and the addition of one provisional Harbor Maintenance Worker employee. Additional information regarding personnel costs is outlined in the FY25 draft budget.

**Capital Outlay**

One capital outlay item is funded in the FY25 budget:

<b>FY25 Budget Program</b>	<b>Item</b>	<b>Amount</b>
Docks, Piers, and Marine	Replacement Truck	\$35,000
<b>Total Capital Outlay</b>		<b>\$35,000</b>

<sup>1</sup> The Port District received approximately \$345,000 for permanent and temporary construction easements related to the City’s ongoing Murray Street Bridge Seismic Retrofit Project. This funding was received and recognized in FY24 and allocated by the Commission to the CIP Reserve Fund (Unallocated CIP) on October 24, 2023.

**Debt Service Coverage Ratio Projections**

The District’s agreements with BBVA Compass Bank (now PNC Bank) include covenants to maintain adequate coverage for debt service for the life of the loans. These Debt Service Coverage Ratio (“DSCR”) covenants provide that the District will prescribe and collect fees and charges for services at least equal to 125% of the debt service after operating and maintenance expenses for the fiscal year. The DSCR, which does not factor in any anticipated increase to slip rent in FY25, meets the 125% requirement.

**Revenue and Fees**

The 2023 Consumer Price Index (CPI) for the San Francisco-Oakland-Hayward area is 2.6%. The 10-year average CPI rate is 3.3%. The Port District’s 10-year average rate increase over the same period is 2.25%. See Attachment A.

The draft budget is presented as a balanced budget. No increase has been applied to marina fees in the draft budget. As noted under “Debt Service Coverage Ratio Projections” above, the DSCR meets the 125% threshold, but any significant reduction in revenue or increase in expenditures may negatively impact the projected DSCR.

**Fee Schedule**

At its regular public session of March 28, 2023, the Port Commission elected to review the annual fee schedule as part of the budget process. The draft FY25 fee schedule is incorporated into the draft budget document. While proposed fee schedule revisions are minimal, the associated impacts have been incorporated into FY25 revenue projections.

**SUMMARY**

Staff is seeking direction from the Commission as outlined in the recommendation. Key discussion topics include:

- Does the Commission wish to include an increase to marina fees in the draft budget? If yes, what level of increase should be presented? (A 1% slip rent increase generates approximately \$50,000 in additional revenue, excluding dry storage.)
- CIP projects and funding sources, including Dredge Fund.
- Fee schedule revisions.

The draft FY25 budget will be amended as needed to incorporate direction received from the Commission. The FY25 budget will be presented for review and approval at a regular public session on Tuesday, February 27, 2024.

## PORT DIRECTOR'S BUDGET MESSAGE

Honorable Chairman and Members of the Port Commission:

I am pleased to transmit to you the proposed budget and 5-Year Capital Improvement Plan (CIP) for the Santa Cruz Port District for the fiscal year beginning April 1, 2024, and ending March 31, 2025. While the Port District does not have a specific written policy governing budget development or administration, the FY25 budget is presented as a balanced budget, where operating revenues are equal to or exceed operating expenditures.

The Port District's annual budget is a key planning tool that serves as a policy document, financial plan, and operating guide for the public and harbor constituents. It is intended to demonstrate the District's strategic direction, sources of funding, and planned expenditures for the upcoming fiscal year.

The overall success of the harbor remains largely dependent on weather, ocean conditions, the health of the fishery, and other economic factors. In FY24, the Port District faced significant challenges after the Pacific Fishery Management Council announced its determination to close the 2023 ocean and river salmon fisheries in California based on the low abundance forecast of west coast salmon stock. This closure was the first of its kind since 2009.

While the closure negatively impacted some revenue categories like visitor berthing, launch, and fuel sales, the Port District proactively reduced expenses where feasible, and established a new investment account (CLASS Prime) to take advantage of market conditions and achieve higher yields on invested funds to offset unanticipated revenue reductions associated with the closure.

The FY25 budget accounts for financial challenges that may result from a second-year closure of the salmon fishery, as well as other economic factors such as ongoing supply chain challenges, historic inflation, and continuing escalations in annual insurance premium costs. Additionally, the proposed budget allocates resources to address ongoing priorities, which include building long-term financial sustainability, addressing key infrastructure needs, and strengthening community outreach.

The FY25 budget is presented with no increase to marina fees. Budget highlights are presented below:

- Operating revenues total \$12,291,725 (increase of 5.4% over prior year).
- Operating expenditures totals \$11,374,128 (increase of 5% over prior year).
- Capital Improvement Plan (CIP) contribution of \$1,095,000, consisting of the following:
  - \$750,000 contribution from the Operating Budget.
  - Assignment of \$345,000 in Unallocated CIP Funds.

The Port District's Capital Improvement Plan aims to address critical infrastructure needs and ensure that the harbor's facilities meet operational and sustainability demands. As a result, the CIP proposes \$5,272,000 million through FY29.

## PORT DIRECTOR'S BUDGET MESSAGE (CONT.)

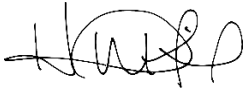

The FY25 CIP includes 25 projects, which advance the Port District's priorities by:

- Continuing to invest in and upgrade harbor infrastructure, including necessary pile sleeving, fuel dock equipment repair, critical paving, and ongoing building maintenance.
- Exploring new economic development opportunities, including a new destination restaurant site at 616 Atlantic Avenue and visitor serving accommodations at 7<sup>th</sup> Avenue and Brommer Street.
- Replacement of critical utility infrastructure, like the north harbor transformers and G-Dock sanitary sewer lift station.

At its regular public session of March 28, 2023, the Port Commission elected to review the annual fee schedule as part of the budget process. The draft FY25 fee schedule is included as Attachment D. While proposed fee schedule revisions are limited this year, the associated impacts have been incorporated into FY25 revenue projections.

As we navigate the upcoming fiscal year, staff will work to maximize resources, contain spending, and leverage resources for capital investments through grants and other partnerships when feasible. Recognition is given to all staff members and managers who have assisted in the development of this year's budget. Please be assured that extreme care and effort will be devoted to the effective administration of the FY25 budget to ensure sustained success well into the future.

Sincerely,

Holland MacLaurie  
Port Director

## POLICY STATEMENTS

### RESERVE POLICY

The Port District's Reserve Policy, adopted in FY16 (included in Attachment C), states the Port Commission's intent to preserve capital to finance three months of operations, and to fund future capital improvements at a minimum level to ensure the sustainability of harbor infrastructure. The reserve funding goal was first achieved in the FY19 budget and since policy adoption, annual contributions have been budgeted at the level needed to meet the reserve funding goal. The only exception has been the FY21 budget when a programmed reserve fund contribution was suspended in response to anticipated revenue reductions due to the COVID-19 pandemic.

In FY23, the Port Commission approved resolution 22-28, authorizing a one-time expenditure from the Reserve Fund in the amount of \$825,000 for the 2222 East Cliff Drive Deck Replacement Project. To restore the reserve fund to the desired funding level, the Commission determined that concession income derived from 2222 East Cliff Drive, Suites 200, 204, 208, 212, 216, and 220 will reimburse the Reserve Fund in an amount not less than \$117,857 per annum for 7 years, beginning in Fiscal Year 24.

The Port Commission's annual funding goal for future capital improvements was initially set at \$500,000 annually. The Commission has expressed a desire to increase the annual Capital Improvement Program ("CIP") funding goal from \$500,000 to \$750,000 annually, if practicable.

### INVESTMENT POLICY

In FY19, the Port Commission adopted an investment policy (included as Attachment C), which provides direction to the Port Director on the prudent and beneficial investment of District funds in accordance with laws governing the investment of local agency funds.

### UNFUNDED ACCRUED LIABILITY PENSION MANAGEMENT POLICY

The Port District's Unfunded Accrued Liability Pension Management Policy, adopted in FY23 (included in Attachment C), is intended to strategically address the existing and any future unfunded accrued liability (UAL) associated with the Port District's California Public Employees' Retirement System (CalPERS) pension plans. In accordance with guidance set forth in the policy, the Port District will pre-pay the entire UAL payment in the amount of approximately \$461,281 by July 31, 2024, and include an additional discretionary payment in the amount of \$20,000.

---

## POLICY STATEMENTS (CONT.)

The Port District finances have historically been managed and reported in accordance with Generally Accepted Accounting Principles (GAAP), and with applicable statements published by the Government Accounting Standards Board (GASB). The Port District does not have specific written policies governing how the budget was to be created or administered. Budget administration and planning incorporates the following assumptions and practices first adopted in FY13:

1. **Balanced Budget**

The Port District operates with a balanced budget where operating revenues are equal to or exceed operating expenditures. Imbalances to the budget that result from increased expenses, decreased revenues, or a combination of the two, will require a budget revision.

2. **Fixed Assets**

Fixed (or capital) assets are tangible items individually valued at \$5,000 or more. Examples of fixed assets would be vehicles, equipment, boats, etc. For accounting purposes, fixed assets with an estimated useful life of at least two years after acquisitions are capitalized.

3. **Capital Improvements**

Capital improvements are physical assets, constructed or installed, with a useful life of ten years or longer and a cost of \$25,000 or more. Services that ultimately result in such physical assets are also budgeted as capital improvements (e.g., engineering design, architectural services, etc.).

4. **Depreciation**

Depreciation is reported annually as an operating expense (approximately \$1.7 million projected in FY25). The full amount of annual depreciation has not been included in the operating budget.

5. **Appropriations**

Appropriation balances may be transferred from one expenditure account to another within the operating budget without Port Commission approval. Capital improvement budgets are not considered to be part of any transferable appropriation balance. Any increase in total appropriations must be approved by the Port Commission.

6. **Reserves**

Reserve funds are not available for use to offset any expenditures that exceed total appropriations. Reserves may only be used as approved by the Port Commission.

7. **Use of Restricted/Unrestricted Net Assets**

When an expense is incurred for purposes for which both restricted and unrestricted net assets are available, restricted net assets are applied first.

8. **Staffing Levels**

The total number of full-time equivalent (FTE) employees shall be approved by the Port Commission.

## BUDGET USER GUIDE

General Fund (i.e., operating) revenues and expenses are presented in the Financial Summaries. FY23 Actual, FY24 Budget and Projected Actual, and FY25 Proposed Budget figures are presented for comparison. Terms used in the Financial Summaries and in the program budgets that follow are defined below.

### **Capital Outlay**

Expenses associated with acquiring capital (or "fixed") asset items individually valued at \$5,000 or more. Examples of fixed assets would be vehicles, equipment, boats, etc.

### **Charges for Services**

Revenues received as reimbursement to the Port District for the use of staff, equipment or other resources beyond the services included with other user fees or rents. Examples may include standby of marine rescue personnel for aquatics competitions, emergency response services and after-hours call back for fuel sales.

### **Debt Service**

Principal and interest payments on loans.

### **Fines**

Fines (or "bail amounts") for parking or other citations paid directly to the Port District.

### **Fuel Sales**

Receipts at the fuel pump.

### **Intergovernmental Revenues**

Funds received by the Port District from another government agency. Examples include dredging expenditure reimbursement received from the U.S. Army Corps of Engineers (USACE), contributions from the County of Santa Cruz for marine rescue services, and grants from state, federal or local government sources.

### **Other/Miscellaneous**

Revenues shown as Other/Miscellaneous include sales of key fobs, merchandise, proceeds from lien sales or disposal of surplus items, etc.

### **Personnel Services**

All costs associated with Port District staff compensation for regular and temporary employees, including payroll taxes, workers' compensation, unemployment insurance, pension, and employee benefits.

### **Rents**

Rents encompass payments received by the Port District from its land-based tenants. Revenues are classified as either base rent, percentage rents or utility chargebacks as applicable.

### **Services and Supplies**

Costs for all services provided to the Port District by contract or work order, utilities, insurance premiums, purchase of items not classified as fixed assets or "capital outlay," etc.

### **Transfers In/Out**

Transfers between Port District funds (e.g. allocations to the Dredge Fund may involve a transfer from the General Fund, or any combination of those and other funds).

### **User Fees**

Fees established by the Port Commission for various uses of Port District facilities including boat slips, dry storage, RV, and general parking.

## FY25 BUDGET SUMMARY

The FY25 budget is presented as a balanced budget with no increase to marina fees. As a balanced budget, operating revenues are equal to or exceed operating expenditures. A summary of the FY25 General Fund budget is presented below:

<b>FY25 REVENUES BY CATEGORY</b>	
USER FEES	\$7,487,475
RENTS	\$2,237,000
CHARGES FOR SERVICE	\$34,000
FINES	\$110,000
FUEL SALES	\$590,000
BOATYARD	\$348,250
INTERGOVERNMENTAL	\$575,000
GRANTS	\$24,000
OTHER / MISCELLANEOUS	\$886,000
<b>TOTAL: \$12,291,725</b>	

<b>FY25 EXPENDITURES BY CATEGORY</b>	
PERSONNEL SERVICES	\$4,840,885
SERVICES & SUPPLIES	\$5,085,187
CAPITAL OUTLAY	\$35,000
DEBT SERVICE	\$1,413,056
OTHER LIABILITIES	\$0
<b>TOTAL: \$11,374,128</b>	

## GENERAL FUND REVENUE BUDGET

The table below shows the distribution of estimated General Fund revenues for FY25, which total \$12,291,725. This represents an increase of approximately 5.4% over FY24 budgeted revenues.

	FY24 BUDGET	FY24 PROJECTION	FY25 BUDGET
User Fees	\$7,101,275	\$7,593,217	\$7,487,475
Rents	2,189,400	2,257,912	2,237,000
Charges for Service	32,000	35,253	34,000
Fines	98,000	142,838	110,000
Fuel Sales	810,000	543,786	590,000
Boatyard	356,250	326,338	348,250
Intergovernmental	575,000	575,000	575,000
Grants	24,000	36,052	24,000
Other / Misc.	170,000	1,192,005	886,000
<b>TOTAL:</b>	<b>\$11,659,875</b>	<b>\$12,702,383</b>	<b>\$12,291,725</b>

### FISCAL YEAR REVENUE HIGHLIGHTS

- Projected revenue for FY24 is anticipated to exceed budgeted figures by approximately 9% due to the following:
  - Increased interest earnings of approximately \$657,000.
  - Receipt of \$345,818 in easement funds for the Murray Street Bridge Seismic Retrofit Project.
  - Parking revenue continues to outpace budget.
  - RV Park revenue continues to outpace budget (implementation of online reservation system).
  - Citation revenue continues to outpace budget.
- FY25 budget includes \$525,000 in reimbursement from the U.S. Army Corps of Engineers.<sup>1</sup>
- FY25 budget anticipates an increase in interest earnings of \$585,000.
- FY25 budget anticipates the potential closure of the 2024 commercial and recreational salmon season. As a result, revenue projections for various categories like visitor berthing, launch, and fuel sales are tempered.

<sup>1</sup> The Port District’s \$525,000 reimbursement for operation and maintenance of the federal entrance channel pends enactment of FY24 federal appropriations, which is estimated to occur by March 2024, unless additional continuing resolutions are passed to prevent a government shutdown. Uncertainty regarding the availability of funds does exist, however the potential for not receiving the annual reimbursement is anticipated to be minimal.

FY25 OPERATING REVENUES BY CATEGORY

## GENERAL FUND EXPENDITURE BUDGET

The table below shows the distribution of estimated General Fund expenditures for FY25, which total \$11,374,128. This represents an increase of approximately 5% over FY24 budgeted expenditures.

	FY24 BUDGET	FY24 PROJECTION	FY25BUDGET
Personnel Services	\$4,689,646	\$4,323,184	\$4,840,885
Services & Supplies	4,724,106	4,986,113	5,085,187
Capital Outlay	69,500	66,458	35,000
Debt Service Payments	1,365,818	1,365,818	1,413,056
Other Liabilities	0	0	0
<b>TOTAL:</b>	<b>\$10,849,070</b>	<b>\$10,741,573</b>	<b>\$11,374,128</b>

### FISCAL YEAR REVENUE HIGHLIGHTS

- Projected salary and benefit costs (Personnel Services) for FY24 will be less than budget by approximately 8% due to a vacancy in the Administrative Services department (1 Administrative Services Manager).
- Personnel Services costs are anticipated to increase in FY25 by approximately 3% due to negotiated contract increases, health premium increases, CalPERS-related pension costs, and the addition of one provisional Harbor Maintenance Worker employee.
- Projected employer pension expenses in FY25 will total approximately \$740,087, which represents 16% of the anticipated Personnel Services expenditures.
  - Of that pension expense total, \$20,000 is allocated for an additional discretionary payment to CalPERS to assist in proactively reducing the District’s unfunded accrued liability (UAL).
- FY25 Services and Supplies costs are proposed at a level that is approximately 7.5% higher than FY24. This increase is primarily related to escalating insurance premium costs<sup>2</sup>.
- FY25 Capital Outlay costs include:
  - \$35,000 – New / Used Truck (Docks, Piers, & Marine Structures)
- In FY25, there are no identified expenditures noted as “Other Liabilities.”

The expenditure summary in FY25 (and previous budget years) does not include transfers to the Dredge Fund. Fund transfers are included in the budget as Non-Operating Expenditures. In FY25, the budgeted fund transfer to the Dredge Fund is \$152,000.

<sup>2</sup> Insurance premium costs for FY25 are estimated to increase to \$1,552,821. This represents an approximate 13.5% increase over actual FY24 costs, and a 99.5% increase over actual FY23 costs.

FY25 OPERATING EXPENDITURES BY CATEGORY

## EXPENDITURES BY DEPARTMENT AND PROGRAM

Department and Program	FY 23 Actual	FY 24 Budget	FY 24 Projected	FY 25 Budget

<b>Department Total</b>	<b>\$ 3,849,220</b>	<b>\$ 4,212,080</b>	<b>\$ 4,240,768</b>	<b>\$ 4,425,315</b>
<b>Total Operating Budget</b>	<b>\$ 8,736,399</b>	<b>\$ 9,413,753</b>	<b>\$ 9,309,297</b>	<b>\$ 9,926,072</b>

Note: Interest expense for debt service is included in Program 390-Capital Projects above.

## DEBT SERVICE

The tables below detail the repayment of revenue bond issues and other long-term financing utilized by the Port District. FY25 debt service payments (including principal and interest) total \$1,718,498, which is \$2,637 less than FY24. A higher portion of the annual payment is being applied to the principal balance in FY25.

LONG TERM DEBT BALANCES						
	Maturity Date	Interest Rate	Balance 3/31/23	Principal Reductions	Balance 3/31/2024	Current Portion
2013A Bonds	2/1/2030	3.090%	\$ 6,904,336	\$ 896,853	\$ 6,007,483	\$ 924,782

### PURPOSE OF EXISTING DEBT:

- 2013A Bonds:** Structured to finance (i) the Refunding of Prior Tax-Exempt Obligations, (ii) the cost of a new dredge, (iii) a surety bond for a debt service reserve fund (the "Reserve Fund"), and (iv) all related costs of issuance.
- 2013B Bonds:** Structured to finance (i) the Refunding of the Prior Taxable Obligations, (ii) the outstanding balance of the District's OE3 pension obligation, and (iii) all related costs of issuance.
- 2018A Rev. Obligation:** Structured to finance (i) the Santa Cruz Harbor Pile Replacement Project
- 2018B Rev. Obligation:** Structured to finance (i) the Santa Cruz Harbor Seawall Replacement Project
- 497 Lake Avenue** Structured to finance (i) the purchase of a commercial property carrying a professional administrative zoning status located at 497 Lake Avenue, Santa Cruz, CA.

### DEBT SERVICE (CONT.)

The table below illustrates the District’s principal and interest payments for the period FY25 to FY34. The Port District will achieve significant cost savings in FY31, assuming no additional borrowing occurs.

The Port District is required to maintain adequate coverage for debt service for the life of its Series 2013 and Series 2018 loans. Debt Service Ratio (DSR) covenants required the District to prescribe and collect fees and charges for services at least equal to 125% of its debt service after operating and maintenance expenses for the fiscal year. Debt Service Coverage Ratios (DSRs) for FY22 and FY23 (audited), FY24 (budgeted), FY24 (projected) and FY25 (budget) are presented below and provided in more detail in Attachment A:

#### DEBT SERVICE COVERAGE PROJECTION

	FY22 <i>(Audited)</i>	FY23 <i>(Audited)</i>	FY24 <i>(Budget)</i>	FY24 <i>(Projected)</i>	FY25 <i>(Budget)</i>
Debt Service Coverage Ratio	<b>2.74X</b>	<b>2.85X</b>	<b>1.54X</b>	<b>2.10X</b>	<b>1.55X</b>
Required Ratio	1.25X	1.25X	1.25X	1.25X	1.25X

---

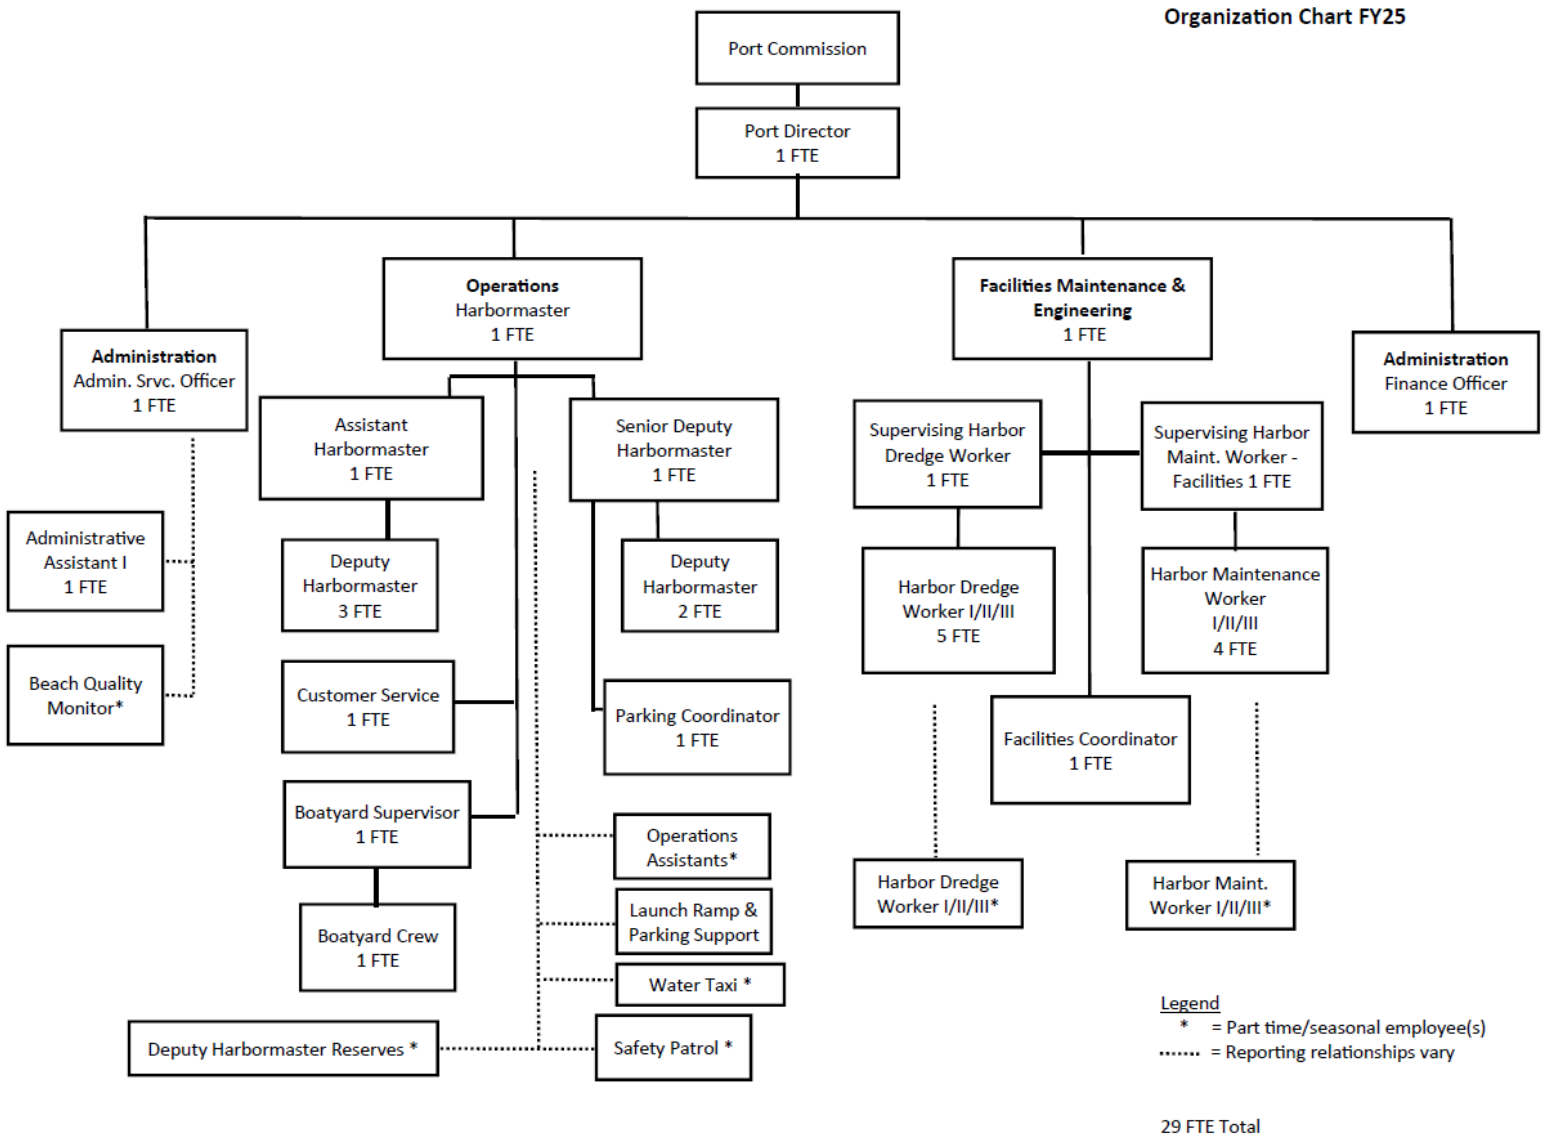

## FUND BALANCE PROJECTIONS

Listed below are descriptions of the Port District's major funds and projected balances as of March 31, 2024.

<b>General Fund</b>	The General Fund is the primary operating fund of the Port District. This fund is used to account for all financial transactions and resources, except those required or requested in another fund. The projected General Fund balance as of March 31, 2024, is estimated to total \$27,731,229.
<b>Dredge Fund</b>	The Dredge Fund is the primary funding source for identified priorities and equipment replacement / repair needs for the dredge operation. The projected Dredge Fund balance as of March 31, 2024, is estimated to total \$127,757.
<b>Reserve Fund</b>	The Reserve Fund accounts for resources restricted to expenditures for specified purposes (i.e., unforeseen emergencies or extraordinary circumstances). The Port District strives to hold in reserve an amount equal to 25% of the District's annual operating expenses. The projected Reserve Fund balance as of March 31, 2024, is estimated to total 1,596,295 (\$825,000 draw on reserves was utilized in FY23).
<b>Capital Improvement Fund</b>	The Capital Improvement Fund accounts for all financial resources used for the acquisition or construction of major capital improvement projects. The projected Capital Improvement Fund balance as of March 31, 2024, is estimated to total \$6,799,471.
<b>Election Fund</b>	The Election Fund is the primary funding source for biennial Port Commission election expenses. The projected Election Fund balance as of March 31, 2024, is estimated to total \$122,500. This fund has historically carried a balance of \$200,000, which was reduced to \$150,000 in FY24 (and beyond) due to election expense savings associated with the transition from at-large to district-based elections.
<b>PNC Reserve Fund</b>	The PNC Reserve Fund accounts for restricted funds held as a condition of the District's debt refunding efforts completed in FY14. The projected PNC Reserve Fund balance as of March 31, 2024, is estimated to total 1,029,566.

### PERSONNEL PROFILE

The Port District’s organization chart for FY25 is presented below. Positions shown with an associated FTE (full-time equivalent) number are regular, permanent positions assigned to each department. Positions shown with an asterisk and no FTE number are part-time temporary and/or seasonal workers.

### FTE EMPLOYEE COUNTY BY FISCAL YEAR

FY18	FY19	FY20	FY21	FY22	FY23	FY24	FY25
27	29	29	29	28	29	29	29

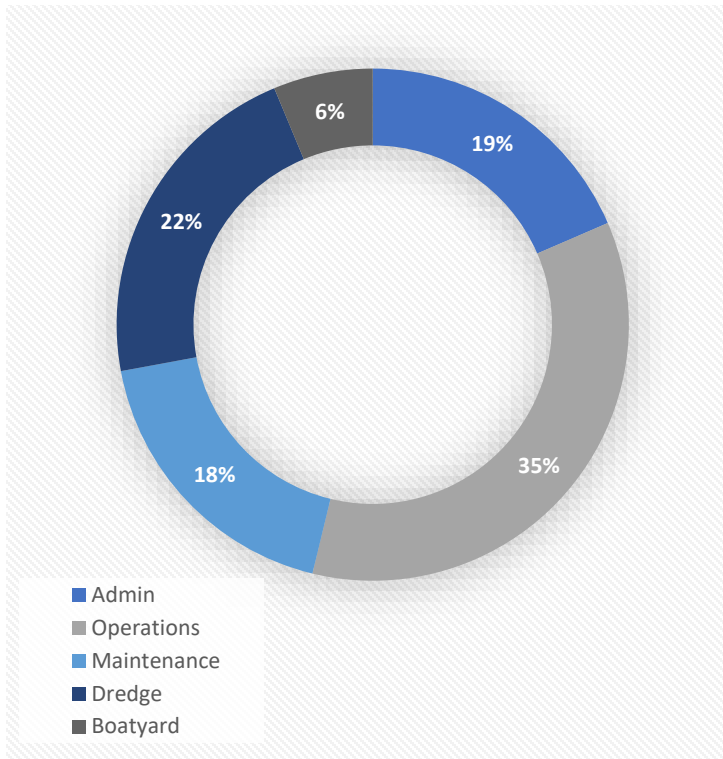

### PERSONNEL PROFILE (CONT.)

The table below shows year-over-year salary and benefit cost comparisons for all employees (regular FTE and temporary/seasonal). Overall, Personnel Services costs in FY25 are approximately 3% higher than FY24. This increase is primarily due to negotiated contract increases, workers’ compensation premium increases, CalPERS-related pension costs, and the addition of one provisional Harbor Maintenance Worker employee.

#### SALARIES & BENEFITS BUDGET

	FY24 BUDGET	FY24 PROJECTION	FY25 BUDGET
Administrative Services	\$866,468	\$732,060	\$895,806
Operations <sup>3</sup>	1,642,102	1,552,351	1,707,837

<sup>3</sup> The Customer Services Representative position is budgeted in Administration, but labor has been allocated to the Operations Department (Marina Management).

<sup>4</sup> The Boatyard is shown separately for additional clarity, but is overseen by the Operations Department.

<sup>5</sup> The Dredging Operation is shown separately for additional clarity, but is overseen by Facilities Maintenance and Engineering.

## DEPARTMENTS AND PROGRAMS

### ADMINISTRATIVE SERVICES DEPARTMENT

The Administrative Services Department is comprised of the following programs:

- Administration
- Finance and Purchasing
- Property Management
- Environmental and Permitting
- Port Commission Support

The table below summarizes the distribution of expenditures by category and program for the Administrative Services Department. Individual program details are also provided.

#### EXPENDITURE SUMMARY

Expenditure by Category	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$686,106	\$866,468	\$732,060	\$895,806	3.4%
Services & Supplies	1,161,594	1,372,840	1,468,367	1,537,421	12.0%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$1,847,700</b>	<b>\$2,239,308</b>	<b>\$2,200,427</b>	<b>\$2,433,226</b>	<b>8.7%</b>

Expenditure by Program	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Administration	\$775,662	\$889,563	\$860,990	\$925,649	4.1%
Finance & Purchasing	184,082	239,618	206,738	247,146	3.1%
Property Mgmt.	686,548	842,315	881,911	994,396	18.1%
Enviro & Permitting	145,694	189,158	163,162	189,885	0.4%
Port Comm. Support	55,714	78,653	87,626	76,149	-3.2%
<b>Total Expenditures</b>	<b>\$1,847,700</b>	<b>\$2,239,308</b>	<b>\$2,200,427</b>	<b>\$2,433,226</b>	<b>8.7%</b>

#### PROGRAM HIGHLIGHTS:

Projected salary and benefit costs (Personnel Services) for FY24 will be less than budget by approximately 8% due to a vacancy in the department (Administrative Services Manager position).

FY25 Services and Supplies within the Administrative Services Department are anticipated to increase 12% over the prior fiscal year. This significant increase is due to escalating insurance premium costs, of which approximately 35% of the total estimated premium is paid from the Property Management program.

## ADMINISTRATION

Administration encompasses the daily oversight of all Port District operations and programs, long-term planning, budget preparation, human resources and benefits management, website maintenance, customer service, public outreach and promotional activities, coordination with local and regional governments and organizations, and various activities undertaken by the Port Director and Administrative Services staff.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$428,162	\$505,692	\$440,548	\$523,008	3.4%
Services & Supplies	347,500	\$383,871	420,442	402,641	4.9%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$775,662</b>	<b>\$889,563</b>	<b>\$860,990</b>	<b>\$925,649</b>	<b>4.1%</b>

## FINANCE & PURCHASING

Finance and purchasing activities include accounting for all Port District assets, revenues, and expenses, administering payroll using an outside payroll processing contractor, preparing budget monitoring and quarterly reports, contracting for services, preparing for, and participating in annual outside audits of Port District financial statements, performing tenant-related audits, and tracking grant-related expenditures and reimbursements. Finance and purchasing staff perform ongoing work to develop and refine purchasing procedures and financial reporting for transparency purposes.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$140,783	\$185,218	\$157,338	\$191,746	3.5%
Services & Supplies	43,299	\$54,400	\$49,400	\$55,400	1.8%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$184,082</b>	<b>\$239,618</b>	<b>\$206,738</b>	<b>\$247,146</b>	<b>3.1%</b>

## PROPERTY MANAGEMENT

Property management activities include serving as the primary contact for landside tenants, negotiating new and revised leases and easements, advertising space available for rent, monitoring rental payments and applying rent adjustments. Utilities, garbage service and sanitary district charges for the District's rental properties are included as expenses in this program. Revenues for utility, garbage and sanitary district charges paid by tenants through the Port District are included in Rents. Utility charges paid directly by the tenant to the service provider are not included in the operating budget.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$12,377	\$31,596	\$16,499	\$32,867	4.0%
Services & Supplies	674,171	810,719	865,413	961,530	18.6% <sup>6</sup>
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$686,548</b>	<b>\$842,315</b>	<b>\$881,911</b>	<b>\$994,396</b>	<b>18.1%</b>

<sup>6</sup> Significant increase is attributed to escalating insurance premium costs.

### ENVIRONMENTAL & PERMITTING

The environmental and permitting work includes managing the beach quality monitoring and hydrogen sulfide protocol during dredging activities, negotiating new permits and amendments with the Army Corps of Engineers, US Environmental Protection Agency, California Coastal Commission, Regional Water Quality Control Board, Monterey Bay National Marine Sanctuary, Monterey Bay Unified Air Pollution Control District and other agencies for dredging and disposal operations and permitting for other construction activities, stormwater management and environmental programs. Environmental and permitting oversees the harbor's Clean Marina Program.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$53,940	\$77,208	\$59,799	\$78,935	2.2%
Services & Supplies	91,754	111,950	103,363	110,950	-0.9%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$145,694</b>	<b>\$189,158</b>	<b>\$163,162</b>	<b>\$189,885</b>	<b>0.4%</b>

### PORT COMMISSION SUPPORT

Activities that provide staff support for the Port Commission include developing meeting agendas, staff reports and minutes; coordinating with the County Elections Department and ensuring compliance with the Brown Act; intergovernmental relations and adopted Port Commission policies and procedures.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$50,497	\$66,753	\$57,876	\$69,249	3.7%
Services & Supplies	5,217	11,900	29,750	6,900	-42.0% <sup>7</sup>
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$55,714</b>	<b>\$78,653</b>	<b>\$87,626</b>	<b>\$76,149</b>	<b>-3.2%</b>

---

<sup>7</sup> Decrease is attributed to the elimination CVRA expenses, as the transition to by-district elections was completed in 2023.

## DEPARTMENTS AND PROGRAMS

### OPERATIONS DEPARTMENT

The Operations Department is comprised of the following programs:

- Harbor Patrol
- Marina Management
- Rescue Services
- Parking Services
- Events
- Fuel Services
- Boatyard

The table below summarizes the distribution of expenditures by category and program for the Operations Department. Individual program details are also provided.

#### EXPENDITURE SUMMARY

Expenditure by Category	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$1,692,830	\$1,932,383	\$1,802,396	\$2,011,881	4.1%
Services & Supplies	1,346,649	\$1,029,982	1,065,706	1,055,651	2.5%
Capital Outlay	0	24,500	0		-
<b>Total Expenditures</b>	<b>\$3,039,479</b>	<b>\$2,962,365</b>	<b>\$2,868,101</b>	<b>\$3,067,531</b>	<b>3.6%</b>

Expenditure by Program	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Harbor Patrol	\$806,716	\$863,451	\$801,974	\$884,261	2.4%
Marina Management	542,950	611,835	606,731	632,832	3.4%
Rescue Services	107,901	144,756	132,713	153,813	6.3%
Parking Services	388,937	384,271	406,126	408,710	6.4%
Events	22,570	33,179	20,305	33,829	2.0%
Fuel Services	805,611	516,338	535,548	522,860	1.3%
Boatyard	364,794	408,535	364,705	431,225	5.6%
<b>Total Expenditures</b>	<b>\$3,039,479</b>	<b>\$2,962,365</b>	<b>\$2,868,101</b>	<b>\$3,067,531</b>	<b>3.6%</b>

#### PROGRAM HIGHLIGHTS:

FY25 Services and Supplies within the Operations Department are anticipated to increase 3.6% over the prior fiscal year. This increase is due to escalating insurance premium costs, which are spread across the Harbor Patrol, Marina Management, Rescue Services, Fuel Services, and Boatyard programs.

## HARBOR PATROL

Harbor Patrol, with limited assistance from contract operators, currently provides security and enforcement of Port District ordinances, California Harbors and Navigation, Penal and Vehicle Codes. Deputy Harbormasters provide site security and traffic control, make arrests, prepare incident reports, and provide mutual aid response to other law enforcement agencies. In addition to law enforcement duties, deputy Harbormasters perform vessel search and rescue services, and a wide range of program management and customer services.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$669,557	\$713,480	\$664,399	\$740,969	3.9%
Services & Supplies	137,159	149,971	137,574	143,292	-4.5% <sup>8</sup>
Capital Outlay	0	24,500	\$23,940	0	-
<b>Total Expenditures</b>	<b>\$806,716</b>	<b>\$863,451</b>	<b>\$801,974</b>	<b>\$884,261</b>	<b>2.4%</b>

## MARINA MANAGEMENT

Deputy Harbormaster and Operations staff manage and assigns berths and dry storage space, monitor docks and dry storage areas for safety, staff the front counter 362 days per year, administer invoicing and payment processes, monitor vessel use and confirm current registration, perform vessel serviceability checks and electrolysis checks on an as needed basis, manage the waiting list, develop delinquency reports, conduct lien sales, and provide customer service.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$484,509	\$562,907	\$553,326	\$575,976	2.3%
Services & Supplies	58,441	48,928	53,405	56,856	16.2% <sup>9</sup>
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$542,950</b>	<b>\$611,835</b>	<b>\$606,731</b>	<b>\$632,832</b>	<b>3.4%</b>

## RESCUE SERVICES

Rescue services are provided by Harbor Patrol using one of two patrol vessels (Zodiac patrol vessel *Scout* and the new 36' Moose patrol vessel, *PB Kinnamon*). Rescues are typically conducted under the Coastal Incident Response Plan (CIRP) in coordination with City, County and State resources.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$54,787	\$75,627	\$62,191	\$77,257	2.2%
Services & Supplies	53,114	69,129	70,522	76,556	10.7% <sup>10</sup>
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$107,901</b>	<b>\$144,756</b>	<b>\$132,713</b>	<b>\$153,813</b>	<b>6.3%</b>

<sup>8</sup> Decrease is attributed to the reduction in contracted security patrol.

<sup>9</sup> Significant increase is attributed to escalating insurance premium costs.

<sup>10</sup> Significant increase is attributed to escalating insurance premium costs.

## PARKING SERVICES

Parking services encompass oversight and daily maintenance of the automated concession parking lot equipment serving 2222 East Cliff Drive, the Crow's Nest and its Beach Market, Café El Palomar, the SUP Shack, and Harbor Beach; beach parking permit sales, slip licensee and employee parking permits, launch ramp parking, and permits, shuttle van and water taxi services, and parking ordinance enforcement. The Parking Coordinator and Harbor Patrol provide parking services with assistance from part-time/temporary staff.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$205,293	\$217,271	\$213,318	\$236,610	8.9% <sup>11</sup>
Services & Supplies	183,644	167,000	192,808	172,100	3.1%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$388,937</b>	<b>\$384,271</b>	<b>\$406,126</b>	<b>\$408,710</b>	<b>6.4%</b>

## EVENTS

This program is jointly managed by Operations and Administrative Services, and comprises permitting, transportation and security for special events hosted by the Port District, the Crow's Nest Thursday night beach barbecues, beach volleyball tournaments, regattas, and other special events.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$16,688	\$25,679	\$15,705	\$26,829	4.5%
Services & Supplies	5,882	\$7,500	4,600	7,000	-6.7%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$22,570</b>	<b>\$33,179</b>	<b>\$20,305</b>	<b>\$33,829</b>	<b>2.0%</b>

## FUEL SERVICES

The Port District took over operation and maintenance of the harbor's fuel dock in July 2010. The program is managed by Deputy Harbormaster staff. Recurring program costs include staff, fuel purchases, taxes, storage tank fees and maintenance, inspections, insurance, credit card fees, regulatory compliance and spill prevention equipment and supplies.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$34,746	\$47,138	\$43,413	\$50,196	6.5%
Services & Supplies	770,865	\$469,200	492,136	472,664	0.7%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$805,611</b>	<b>\$516,338</b>	<b>\$535,548</b>	<b>\$522,860</b>	<b>1.3%</b>

<sup>11</sup> Part-time / temporary wages in the Parking program have been marginally increased.

## BOATYARD

The Port District took over staffing, operation, and maintenance of the boatyard in 2014. Recurring program costs include personnel, spill prevention equipment, supplies, stormwater filtration costs, and equipment maintenance and fuel. The boatyard is not projected to require significant proceeds to support expenditures in FY25.

<b>Expenditure</b>	<b>FY23 Actual</b>	<b>FY24 Budget</b>	<b>FY24 Projection</b>	<b>FY25 Budget</b>	<b>% Change</b>
Personnel Services	\$227,251	\$290,281	\$250,044	\$304,043	4.7%
Services & Supplies	137,543	\$118,253	114,661	127,181	7.5%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$364,794</b>	<b>\$408,535</b>	<b>\$364,705</b>	<b>\$431,225</b>	<b>5.6%</b>

## DEPARTMENTS AND PROGRAMS

### FACILITIES MAINTENANCE & ENGINEERING DEPARTMENT

The Facilities Maintenance and Engineering Department is comprised of the following programs:

- Docks, Pier, and Marine Structures (DP&M)
- Utilities Maintenance
- Building Maintenance
- Grounds Maintenance
- Aeration Program
- Fishery Support
- Capital Projects
- Dredge Operations

The table below summarizes the distribution of expenditures by category and program for the Facilities Maintenance and Engineering Department. Individual program details are also provided.

#### EXPENDITURE SUMMARY

Expenditure by Category	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$1,777,488	\$1,890,795	\$1,788,728	\$1,933,199	2.2%
Services & Supplies	2,070,841	\$2,321,285	2,452,040	2,492,116	7.4%

Capital Projects	394,446	363,503	357,318	313,229	-13.8%
Dredge Operations	1,503,074	1,653,480	1,641,094	1,697,545	2.7%
<b>Total Expenditures</b>	<b>\$3,848,329</b>	<b>\$4,212,080</b>	<b>\$4,240,768</b>	<b>\$4,425,315</b>	<b>5.1%</b>

#### PROGRAM HIGHLIGHTS:

FY24 Services and Supplies within the Facilities Maintenance and Engineering Department are anticipated to increase 7.4% over the prior fiscal year. This increase is due to escalating insurance premium costs, of which approximately 39% of the total estimated premium is paid from the Docks, Piers, and Marine Structures program (this allocation may change in subsequent budget years).

## DOCKS, PIERS, AND MARINE STRUCTURES

Activities in this program include maintenance and repairs of existing docks and piers; routine maintenance of piles and appurtenant equipment; maintenance of floats, seawalls, cranes, jetties, gates, brow piers and gangways.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$137,827	\$165,085	\$150,270	\$170,823	3.5%
Services & Supplies	364,372	\$513,983	608,864	686,157	33.5% <sup>12</sup>
Capital Outlay	0	0	0	35,000	-
<b>Total Expenditures</b>	<b>\$502,199</b>	<b>\$679,068</b>	<b>\$759,134</b>	<b>\$856,979</b>	<b>26.2%</b>

## UTILITIES MAINTENANCE

Utility maintenance includes repairs to landside and dock electrical and plumbing facilities; operation and maintenance of seven sanitary sewer lift stations; maintenance of parking lot, dock, and storage area lighting; and storm drain inspections and cleaning.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$79,135	\$76,322	\$73,003	\$79,713	4.4%
Services & Supplies	24,252	\$32,750	27,939	30,750	-6.1%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$103,387</b>	<b>\$109,072</b>	<b>\$100,942</b>	<b>\$110,463</b>	<b>1.3%</b>

## BUILDING MAINTENANCE

There are 26 buildings housing over 40 tenants, harbor administration, operations and maintenance functions, restrooms and miscellaneous storage facilities throughout the harbor. Activities include the full spectrum of repairs, paint, carpet, roofing, HVAC, elevator service, alarm maintenance and cleaning/custodial services.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$115,498	\$146,507	\$126,266	\$146,574	0.0%
Services & Supplies	272,038	\$318,678	357,351	348,855	9.5% <sup>13</sup>
Capital Outlay	0	45,000	\$42,518	0	-
<b>Total Expenditures</b>	<b>\$387,536</b>	<b>\$465,185</b>	<b>\$483,617</b>	<b>\$495,429</b>	<b>6.5%</b>

<sup>12</sup> Significant increase is attributed to escalating insurance premium costs.

<sup>13</sup> Increase is attributed to escalating custodial costs (labor and supplies).

## GROUNDS MAINTENANCE

Harbor property encompasses approximately nine landside acres that attract thousands of visitors each year. Activities include maintenance of landscaped areas, parking lots and meters, signs, fences, walkways, and commemorative plazas; litter collection, control, and transport; recycling services; pressure washing of docks, street sweeping, and fish table cleaning and maintenance.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$446,896	\$437,519	\$401,538	\$440,575	0.7%
Services & Supplies	461,321	\$428,000	425,443	433,000	1.2%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$908,217</b>	<b>\$865,519</b>	<b>\$826,981</b>	<b>\$873,575</b>	<b>0.9%</b>

## AERATION PROGRAM

This program involves the annual installation of 24 electric powered aerators mounted in strategic locations throughout the harbor to respond to high fish count and low dissolved oxygen events. The harbor had experienced devastating fish kills, primarily schools of anchovies, in years past, requiring costly cleanup and repair operations. The current aeration program is a joint effort between the Facilities Maintenance and Engineering Department and the Harbor Patrol to monitor fish populations and dissolved oxygen levels, and be prepared to respond quickly to ameliorate poor conditions and prevent another kill.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$14,658	\$28,229	\$24,180	\$29,599	4.9%
Services & Supplies	22,799	\$31,000	34,268	31,000	0.0%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$37,457</b>	<b>\$59,229</b>	<b>\$58,448</b>	<b>\$60,599</b>	<b>2.3%</b>

## FISHERY SUPPORT

The commercial fishing fleet, resident fish buyer and the facilities that support their activities are supported by the Port District. The FY25 budget includes funding for maintenance of the hoists, working with commercial fishermen on landings administration, and for updating policies associated with the fishery.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$12,013	\$13,524	\$11,033	\$13,996	3.5%
Services & Supplies	0	\$3,500	\$2,200	\$3,500	0.0%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$12,013</b>	<b>\$17,024</b>	<b>\$13,233</b>	<b>\$17,496</b>	<b>2.8%</b>

## CAPITAL PROJECTS

This program provides staffing to develop and manage the Port District's Capital Improvement Program. Work in this section may involve preliminary engineering, such as site inspections or concept development, grant applications, and other work in support of capital projects. Capital projects recommended for FY25 are detailed in the Capital Improvement Program later in this report.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$36	\$4,986	\$1,701	\$5,088	2.0%
Services & Supplies	394,410	\$358,517	355,617	308,141	-14.1% <sup>14</sup>
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$394,446</b>	<b>\$363,503</b>	<b>\$357,318</b>	<b>\$313,229</b>	<b>-13.8%</b>

## DREDGING OPERATIONS

Activities involve annual dredging of the federal entrance channel and selected areas of the inner-harbor, primarily the north harbor where sedimentation from Arana Gulch most impacts depths. Also included are maintenance and repairs to the dredges *Twin Lakes* and *Squirt* and other equipment required to perform dredging (e.g., crane, submersible pump, dozer, forklift, pipe welder, and anchors). The U.S. Army Corps of Engineers provides support for the dredging by reimbursing 35% of the average operations and maintenance costs. The Port District is currently being reimbursed \$525,000/year.

Expenditure	FY23 Actual	FY24 Budget	FY24 Projection	FY25 Budget	% Change
Personnel Services	\$972,113	\$1,018,623	\$1,000,738	\$1,046,832	5.6%
Services & Supplies	530,961	\$634,857	640,357	650,713	5.2%
Capital Outlay	177,557	143,000	147,996	152,000	-
Transfers Out	-177,557	-143,000	-147,996	-152,000	-
<b>Total Expenditures</b>	<b>\$1,503,074</b>	<b>\$1,653,480</b>	<b>\$1,641,094</b>	<b>\$1,697,545</b>	<b>5.5%</b>

<sup>14</sup> Decrease is attributed to a reduction in interest expense in the amount of approximately \$50,000.

## DREDGE FUND

The table below details identified priorities and equipment replacement / repair needs for the dredge operation in FY25. A total contribution to the Dredge Fund in the amount of \$152,000 is proposed for FY25.

ASSET	ITEM	IDENTIFIED NEED
<i>TWIN LAKES</i>	Christmas Tree Upper End	30,000
	Spare Parts Replacement	25,000
		<b>\$55,000</b>
<i>DAUNTLESS</i>	Transmission Rebuild	25,000
		<b>\$25,000</b>
<i>SQUIRT</i>	Overhaul (Aftercooler, Turbo, Cylinders, Duplex Strainer)	37,000
		<b>\$37,000</b>
<i>MISCELLANEOUS</i>	Offshore Disposal Pipeline	10,000
	Unspecified Allowance	25,000
		<b>\$35,000</b>
<b>Total FY25 Dredge Fund Contribution:</b>		<b>\$152,000</b>

At the conclusion of FY24, the remaining Dredge Fund balance is anticipated to total approximately \$127,757, and is allocated as follows:

- Snorkel Elbow Replacement (*Twin Lakes*): \$23,550
- Cab Roof Replacement (*Dauntless*): \$10,000
- Electrical System Rewiring (*Dauntless*): \$15,000
- Skagit Winch Rebuild (*Miscellaneous*): \$15,000
- Unspecified Allowance (*Miscellaneous*): \$64,207<sup>15</sup>

### Historical Dredge Fund Contributions

FY19	FY20	FY21	FY22	FY23	FY24	FY25
\$378,258	\$145,956	\$416,091	\$272,762	\$191,151	\$143,000	\$152,000

<sup>15</sup> Small balances that remain after a project has been completed / closed out are absorbed into the Unspecified Allowance.

**CAPITAL OUTLAY**

The following capital outlay items are included in the FY25 budget:

DEPARTMENT	REQUEST	IDENTIFIED NEED
<b>Docks, Piers, &amp; Marine</b>	Replacement Truck	\$35,000
	<b>Total:</b>	<b>\$35,000</b>

SANTA CRUZ PORT DISTRICT

FIVE-YEAR  
**CAPITAL IMPROVEMENT PLAN**

FISCAL YEAR 2025 - FISCAL YEAR 2029

## CAPITAL IMPROVEMENT PROGRAM

The Capital Improvement Program and fund balance propose \$750,000 in new funding for capital improvement projects in FY25, and assignment of \$345,000 in existing Unallocated CIP Funds<sup>16</sup> in support of identified projects.

The proposed 5-Year Capital Improvement Program follows.

---

<sup>16</sup> The Port District received approximately \$345,000 for permanent and temporary construction easements related to the City's ongoing Murray Street Bridge Seismic Retrofit Project. This funding was received and recognized in FY24 and allocated by the Commission to the CIP Reserve Fund (Unallocated CIP) on October 24, 2023.

---

## INTRODUCTION

This 5-year Capital Improvement Plan (CIP) presents the Santa Cruz Port District's plan for development, maintenance, improvement, and acquisition of infrastructure assets to benefit Santa Cruz Harbor's users, businesses, and visitors. It is intended to serve as a guidance document for planning, scheduling, and implementing capital improvements and planning projects over the next 5 years.

The 5-year CIP serves as a tool for prioritizing and selecting future projects, and provides an overview of works in progress. The CIP highlights the District's investments in infrastructure development and maintenance (i.e., capital improvements) and other significant capital expenditures. Studies of less than \$5,000, and capital expenditures for equipment, vehicles and vessels are typically not included in the CIP, though there are exceptions (e.g., previous water taxi and patrol vessel procurements).

## CAPITAL IMPROVEMENT PLAN DEVELOPMENT

Annual updating of the 5-year CIP is an integral part of the budget process. The CIP is presented with the budget to provide time for review by the public and the Port Commission prior to consideration and incorporation into the final budget.

Prior to FY13, many capital improvements were budgeted and completed within line items in the operating budget, such as Pavement Repairs (F006), Building Restoration (F011), Restroom Building Rehabilitation (F012) and Dock Upgrades(F008). Those items are now presented as separate projects within the 5-year CIP with recommended funding amounts for ongoing rehabilitation and repair.

Each year, the Commission will adopt an updated 5-year CIP that will include prioritized short and long-term projects. The prioritized list will be used by staff in the development of the annual operating budget. The 5-year CIP will be published in advance of and discussed during a public meeting prior to adoption of the annual budget.

## FUNDING THE CAPITAL IMPROVEMENT PLAN

Each year, funding is allocated to various large and small projects within the CIP. Non-specific CIP funding is contained in the Unallocated CIP Funds (F099), which is also referred to as the CIP Reserve Fund.

In FY16, the Port Commission adopted a Reserve Policy, which established funding goals for reserves and for the 5-year CIP. The Commission initially elected to contribute \$500,000 to the CIP fund each year, whenever practicable. The CIP fund would be allowed to grow over time so that large-scale projects could be planned and accomplished without impacting either the Reserve Fund or operations. In February 2020, the Commission increased the CIP funding goal to \$750,000 annually, whenever practicable.

In FY25, the increased funding goal of \$750,000 is attainable. As a result, a \$750,000 contribution is proposed in conjunction with utilizing \$345,000 of Unallocated CIP Funds to establish funding in the amount of \$1,095,000 for identified project needs.

## PROJECT DEVELOPMENT AND SELECTION PROCESS

The projects proposed in the FY25 CIP were derived from a variety of sources, including recommendations from Port District staff, Commission and public input, and projects identified in the Port District Priorities for 2024.

Although not typically included as capital improvements, planning studies may be included in the CIP as part of the planning effort. Studies of less than \$5,000 or capital expenditures for vehicles, equipment and vessels are typically funded in the operating budget.

A summary of proposed FY25 projects is included below:

- Fourteen (14) previously identified projects are proposed for funding in FY25.
- One (1) project is proposed for closeout (i.e., removal from the list) – 2222 East Cliff Drive Deck
- No new projects are proposed for funding in FY25, although funding for the future purchase of a floating barge to facilitate in-house pile replacement work is included in F005 (Piling Replacement).

A CIP Summary sheet outlining projects and funding levels is included as Appendix A. Not including the CIP Reserve Fund, the Fund Balance projection as of April 1, 2024, has 25 identified projects with some level of available funding.

## PROPOSED PROJECTS

Several of the proposed projects in this CIP address ongoing infrastructure or facility maintenance needs and are typically programmed on an annual basis. Examples include Pavement Repairs (F006), Building Restoration (F011), and Restroom Building Rehabilitation (F012).

The following attachments provide additional detail regarding future funding needs and project descriptions:

- Appendix B: Capital Improvement Plan Detail – 5-year funding projections
- Appendix C: Capital Improvement Plan Detail – Project Descriptions (funded and unfunded)

## ENVIRONMENTAL REVIEW

The development of this 5-year plan is not a project, as defined in the California Environmental Quality Act (CEQA), and an environmental review is not required for its adoption. Individual projects listed herein may be subject to CEQA and environmental reviews will be conducted during project implementation.

CAPITAL IMPROVEMENT PLAN DETAIL  
APPENDIX A – CIP SUMMARY

The table below summarizes FY24 CIP funding contributions, including mid-year transfers to individual funds.

<b>CIP FUNDING SUMMARY</b>	
Beginning Balance as of April 1, 2023	<b>\$4,194,925</b>
Transfer In – Pile Replacement Project (PC Approval 5/23/23)	\$160,000
Transfer In – City of Santa Cruz Easement Funds (PC Approval 10/24/23)	\$4,749,000
<b>Total:</b>	<b>\$9,103,925</b>
Anticipated FY24 Expenditures through March 31, 2024	(\$2,304,454)
	<b>\$6,799,471</b>

**CAPITAL IMPROVEMENT PLAN DETAIL**  
**APPENDIX A – CIP SUMMARY (CONT.)**

The table below summarizes the FY25 CIP funding contributions (and reallocations) and details projected balances for individual funds as of April 1, 2024.

Project Name	No.	Beginning Balance April 1, 2024	FY24 Projected Expenditures	FY24 Mid-Year Changes	FY25 Proposed Reallocation	FY25 Funding Contribution	Projected Balance April 1, 2025
CF Marine Services Center	F003	10,000					\$10,000
Harbor Security Upgrades	HO01	12,223	(12,223)			12,000	\$12,000
Sanitary Sewer Lift Stations	F004	342,081	(2,543)			20,000	\$359,538
Piling Replacement	F005	615,000	(1,200,000)	585,000		50,000	\$50,000
Pavement Repairs	F006	152,716	(67,184)			215,000	\$300,532
Dock Upgrades	F008	82,097		(50,000)	(15,000)		\$17,097
Pier Rehabilitation	F009	13,958	(4,137)			5,000	\$14,821
Building Restoration	F011	202,181	(73,970)			125,000	\$253,211
Restroom Building Rehabilitation	F012	298,509				18,000	\$316,509
Sidewalk & Plaza Restoration	F013	33,000		(15,000)			\$18,000
Storm Drain System	F014	30,000					\$30,000
Water & Sewer System	F015	44,139		(25,000)			\$19,139
Parking Pay Station	F018	19			(19)		-
Aeration System Upgrades	F019	31,304					\$31,304
Ice Machine	F020	19,222					\$19,222
West Jetty Walkway	J001	799.25				20,000	\$20,799
7th and Brommer Recon	F021	113,063	(3,774)				\$109,289
SH Revetment & Seawall	F022	35,460	(12,395)			80,000	\$103,065
Murray Street Bridge	F024	235,586	(69,168)	4,403,182			\$4,569,600
Unallocated CIP Funds	F099	157,191		190,879	(344,981)		\$3,089
Aldo's Seawall Replacement	F027	188,441	(12,750)	(180,000)		50,000	\$45,691
Parking Upgrades	F028	70,311	(70,250)	(61)			-
Harborwide Refuse Study	F039	5,000					\$5,000
Embankment Assessment	F042	75,042	(22,487)			10,000	\$62,554
Fuel System Upgrades	F043	88,539				25,000	\$113,539
NH Transformer	F045	309,080	(46,480)			355,000	\$617,600
2222 EC Deck Replacement	F046	819,493	(707,092)		(112,401)		<b>Close Out</b>
Twin Lakes Haul	F047	210,473				110,000	\$320,473
<b>TOTAL:</b>		<b>\$4,194,925</b>	<b>(\$2,304,454)</b>	<b>\$4,909,000</b>	<b>(\$472,401)</b>	<b>\$1,095,000</b>	<b>\$7,422,071</b>

**CAPITAL IMPROVEMENT PLAN DETAIL**  
**APPENDIX B – 5-YEAR FUNDING PROJECTIONS**

Projects within the Capital Improvement Program are categorized into one of the six following categories:

- Docks, Piers & Marine Structures
- Buildings
- Landside Infrastructure
- Utility Systems
- Planning Projects & Studies
- Miscellaneous Projects

The tables below summarize anticipated funding needs for each identified project / project category for the period FY25 to FY29. The proposed FY25 CIP contribution totals \$1,095,000, (comprised of \$345,000 in Unallocated CIP Funds and \$750,000 from the operating budget).

**DOCKS, PIERS & MARINE STRUCTURES**

	FY25	FY26	FY27	FY28	FY29	Total
Piling Replacement	50,000	600,000	125,000	125,000	125,000	<b>\$1,025,000</b>
Dock Upgrades	-	20,000		125,000	50,000	<b>\$195,000</b>
Pier Rehabilitation	5,000	15,000	-	50,000	-	<b>\$70,000</b>
BY Marine Ways Upgrades	-		40000	85,000	-	<b>\$125,000</b>
	<b>\$55,000</b>	<b>\$635,000</b>	<b>\$165,000</b>	<b>\$385,000</b>	<b>\$175,000</b>	<b>\$1,415,000</b>
<b>NOTABLE FY25 DOCKS, PIERS &amp; MARINE STRUCTURE PROJECTS</b>						
<ul style="list-style-type: none"> <li>• Set aside funding for purchase of a floating barge for in-house pile driving.</li> <li>• Sleeve 6 previously identified piles (2 at boatyard marine ways, 4 at fishery).</li> </ul>						

**BUILDINGS**

	FY25	FY26	FY27	FY28	FY29	Total

<b>NOTABLE FY25 PLANNING PROJECTS AND STUDIES</b>						
<ul style="list-style-type: none"> <li>• Continued planning for design of a new restaurant building at 616 Atlantic Avenue</li> <li>• Continued planning for the repair and replacement of the west side seawall (SH Revetment &amp; Seawall)</li> <li>• Contract for engineering services to determine repair/replacement options for the storm-damaged east side embankment.</li> </ul>						

<sup>19</sup> Additional funding in the amount of approximately \$400,000 will be required to complete the North Harbor Transformer project in FY25. As part of the FY25 budget process, the Port Commission may elect to utilize prior year proceeds to cover the funding shortfall. If the Commission is not interested in designating prior year proceeds toward this project as part of the budget process, an unanticipated expenditure request will be presented at the time of contract award.

**MISCELLANEOUS PROJECTS**

CAPITAL IMPROVEMENT PLAN DETAIL  
APPENDIX C – PROJECT DESCRIPTIONS

FUNDED PROJECTS

<b>F003</b>	<b>CF HARBOR SECURITY MARINE SERVICES CENTER</b>
<i>Status:</i>	<i>Project on Hold</i>
<p>This project would involve improvements to the facilities located at 493 and 495 Lake Avenue, buildings that currently house H&amp;H Fresh Fish, Johnny’s Harborside Restaurant, and the Santa Cruz Harbor Boatyard. The first phase of the project will involve outreach and preliminary planning for ice production and storage, evaluation of the expansion potential for the restaurant facility, and potential upgrades to serve the commercial fishery. Additional work will involve identification of funding sources/partners, and use of the boatyard during the City of Santa Cruz’s upcoming Murray Street Bridge Rehabilitation project.</p>	
<b>HO01</b>	<b>HARBOR SECURITY UPGRADES</b>
<i>Status:</i>	<i>Ongoing – funding recommended in FY25 for acquisition of additional security cameras.</i>
<p>This project was approved to provide for increased security systems throughout the harbor to reduce unauthorized uses, and to improve monitoring and law enforcement capabilities. Cameras and recording devices with remote monitoring capabilities have been installed at key locations and expansion of the camera system is recommended.</p> <p>Previously completed projects include restroom door and gate rekeying in FY16, FY17 and FY19, and acquisition of electronic system components in FY19. Fabrication of dock gates to support the new electronic key system were funded as separate project (Dock Upgrades F008). Security cameras were installed in FY20, FY21, FY22, FY23 and FY24. Additional funding planned in FY25 is for additional cameras.</p>	
<b>F004</b>	<b>SANITARY SEWER LIFT STATIONS</b>
<i>Status:</i>	<i>Ongoing – funding recommended in FY25.</i>
<p>This project consist of priority tasks previously identified for replacing the lift station control panels and performing ultrasound inspections of existing steel tubing, replacing, or relining existing tanks and upgrading access to pumps for maintenance.</p> <p>A comprehensive assessment of the nine existing sanitary sewer lift stations was performed in FY22. As a result of that assessment, construction documents for upgrades or replacements as required were drafted in FY23. Replacement of the G-Dock lift station was placed out to bid in FY24, however all bids received exceeded the Engineer’s Estimate and were rejected. The project will be rebid in early FY25.</p>	
<b>F005</b>	<b>PILING REPLACEMENT</b>
<i>Status:</i>	<i>Ongoing - funding recommended in FY25.</i>
<p>The Port District maintains approximately 700 piles to support its docks and piers. Over the last 6 years, approximately 275 piles have been repaired and/or replaced. \$50,000 in set aside funding is requested in FY25 to facilitate the purchase of a floating barge for in-house pile repair and replacement work. Staff recommends that upon receipt of pending FEMA disaster relief funds (approximately \$550,000), the Commission allocate the funds to this program to assist with the purchase of the barge.</p>	
<b>F006</b>	<b>PAVEMENT REPAIRS</b>
<i>Status:</i>	<i>Ongoing – funding recommended in FY25.</i>
<p>Ongoing project to maintain, resurface and restripe harbor parking lots and roads. Funding in FY25 is requested to repave and restripe the entirety of the concession parking lot.</p>	

<b>F008</b>	<b>DOCK UPGRADES</b>
<i>Status:</i>	<i>Ongoing – no funding recommended in FY25.</i>
<p>The 30 distinct docks that make up the Santa Cruz Harbor provide berthing for over 800 vessels, fulfilling the mission of being a federal and state harbor of refuge. This funding provides for small projects involving repairs or upgrades to the existing docks and appurtenant structures such as gates, brow piers, ramps, etc.</p> <p>No work is anticipated to occur in FY25. As a result, \$15,000 is proposed to be transferred from Dock Upgrades to Pavement Repairs.</p>	
<b>F009</b>	<b>PIER REHABILITATION</b>
<i>Status:</i>	<i>Ongoing – funding recommended in FY25.</i>
<p>The harbor’s three piers require periodic inspection and maintenance to ensure they remain safe for public access and serviceable for their various uses. This ongoing project provides periodic funding for inspections, repairs, and upkeep.</p> <p>In 2020, 10 piles supporting the east public pier were deemed to be in critical condition and in need of repair. In FY21, a repair project was completed in which 3 of the 10 piles were jacketed and filled with cementitious grout. Of the remaining piles, 4 were programmed for repair in FY22, and 3 were scheduled for repair in FY23. The planned project in FY22 was delayed, and as a result, 7 east public pier piles were jacketed in FY23 by in-house crews, which resulted in considerable cost savings.</p> <p>Two piles supporting the boatyard marine ways and four piles supporting the fishery pier will be jacketed by in-house crews in FY25.</p>	
<b>F011</b>	<b>BUILDING RESTORATION</b>
<i>Status:</i>	<i>Ongoing – funding recommended in FY25.</i>
<p>Projects to be programmed on an annual basis include minor improvements that extend the useful life of systems and equipment in District-owned buildings that are rented out to various tenants.</p> <p>Future projects (FY25 and beyond) re-roofing the concession lot restroom structure; roofing repairs at 2218 East Cliff Drive; exterior painting of 2222 East Cliff Drive; and other necessary maintenance and repair projects.</p>	
<b>F012</b>	<b>RESTROOM BUILDING REHABILITATION</b>
<i>Status:</i>	<i>Ongoing – funding recommended in FY25.</i>
<p>FY25 funding and ongoing funding recommended to facilitate phased rehabilitation of restroom facilities.</p> <p>Projects are planned on an annual basis to extend the useful life of the District’s 11 restroom buildings. After 4 of the 11 restroom buildings sustained flood damage as a result of the January 2022 tsunami, expediting repair work in FY23 was initiated. In FY24, City and Coastal Commission permits were secured for the demolition and replacement of the I-Dock restroom and shower facility. The project will be placed out to bid in early FY25.</p>	
<b>F013</b>	<b>SIDEWALK AND PLAZA RESTORATION</b>
<i>Status:</i>	<i>Ongoing – Project planned in FY25.</i>
<p>No major restoration of sidewalks or plazas was completed in FY24. No additional funding is recommended in FY25, however repair to the foot wash station located at the Beach Plaza is planned.</p>	

<b>F014</b>	<b>STORM DRAIN SYSTEM</b>
<i>Status:</i>	<i>Ongoing – no funding recommended in FY25.</i>
This ongoing project involves maintenance, repairs and cleaning of the harbor’s storm drainpipes, inlets and catch basins, and upgrades needed to comply with the State of California Industrial Stormwater Permit.	
<b>F015</b>	<b>WATER &amp; SEWER SYSTEMS</b>
<i>Status:</i>	<i>Ongoing – no funding recommended in FY25.</i>
This ongoing project funds upgrades, improvements and major replacement / repair to the harbor’s water and sewer services.	
<b>F018</b>	<b>PARKING PAY STATION UPGRADES</b>
<i>Status:</i>	<i>Ongoing – no funding recommended in FY25.</i>
This ongoing project funds replacement of the aging parking meters with pay stations throughout the harbor, beginning on the west side. Future projects anticipate pay station replacement and rehabilitation.	
<b>F019</b>	<b>AERATION SYSTEM UPGRADES</b>
<i>Status:</i>	<i>Ongoing – Project planned in FY25.</i>
Annual maintenance of the aerator motors and floats is performed as part of the Aeration program. This project differs from the annual program as it provides for replacement of aerators worked beyond their rated capacity. Motors on multiple aerators will be overhauled in FY25.	
<b>F020</b>	<b>ICE MACHINE</b>
<i>Status:</i>	<i>Ongoing – no funding recommended in FY25.</i>
This project was initially funded to add cold storage and/or an ice delivery system to serve the commercial fishing fleet following replacement of the former Sunwell ice system. The resident buyer has a concept for improving ice production and delivery which may be an appropriate use of this funding subject to Port Commission review and approval.	
<b>J001</b>	<b>WEST JETTY WALKWAY</b>
<i>Status:</i>	<i>Ongoing - funding recommended in FY25.</i>
A Phase 1 project to complete resurfacing of the west jetty walkway was completed in 2012, utilizing grant funding provided by the Coastal Conservancy.	
FY25 funding, in the amount of \$20,000, will effectuate a temporary repair to the southern portion of the jetty walking path, which was damaged during various storm events in 2023. The Army Corps of Engineers anticipates performing a more extensive repair to the damaged section, pending availability of federal funds.	
<b>F021</b>	<b>7<sup>th</sup> &amp; BROMMER RECON</b>
<i>Status:</i>	<i>Ongoing – funding recommended in FY25.</i>
Site assessment and engineering work for future development of the Port District’s property in the area of 7 <sup>th</sup> and Brommer, and coordination and interface with other opportunities in the area to ensure Port District and community interests are served.	
Site assessment of the Port District-owned parcel on northwest parcel was initiated in FY21 and continues. A marketing and feasibility study to consider opportunities that may be available to the Port District on County-owned property located on the southwest corner of 7 <sup>th</sup> and Brommer is ongoing.	

<b>F022</b>	<b>SOUTH HARBOR REVETMENT &amp; SEAWALL</b>
<i>Status:</i>	<i>Ongoing – funding recommended in FY25.</i>
<p>Originally funded in FY15, this project was for engineering assessment and recommendations involving the seawall along the harbor’s west side. The seawall at 616 Atlantic Avenue was replaced in FY20 and is similar vintage to the west side seawall. FY23 funding initiated a comprehensive engineering assessment of the seawall including a dive inspection. Additional funding is needed to initiate and undertake replacement of the seawall.</p>	
<b>F024</b>	<b>MURRAY STREET BRIDGE</b>
<i>Status:</i>	<i>Ongoing – no funding recommended in FY25.</i>
<p>Funding for this project will be made available by the City of Santa Cruz upon completion of necessary right-of-way certifications. In FY23, the Port District received a draw of escrow funding in the amount of \$400,000 to cover project related costs for the preliminary design and replacement of FF, Rowing, and Boatyard Docks. In FY24, the Port District initiated a draw of remaining escrow funding in the amount of \$4,749,000, of which \$345,818 was allocated to the Unallocated CIP and \$4,403,182 was allocated to this program (F024).</p> <p>Port District coordination with the City of Santa Cruz on the Murray Street bridge reconstruction project. Contract services for engineering oversight and legal counsel will be needed.</p>	
<b>F027</b>	<b>ALDO’S SEAWALL REPLACEMENT PROJECT</b>
<i>Status:</i>	<i>Ongoing – funding recommended in FY25.</i>
<p>Construction of a new seawall was completed by Granite Construction in FY20. The project was partially funded by financing obtained in FY19. All loan funding has been expended. Approximately \$188,441 remained in the CIP following project close-out, to provide funding for any future District costs associated with accessway improvements and Tenant reconstruction of the restaurant structure. In FY24, \$180,000 was reallocated to Pile Replacement (F005). Funding in FY25 is recommended to complete design work for the replacement of a new restaurant building at the site.</p>	
<b>F028</b>	<b>PARKING UPGRADES</b>
<i>Status:</i>	<i>Ongoing – no funding recommended in FY25.</i>
<p>The Santa Cruz Harbor Parking Management Plan completed during FY16 included several recommendations for upgrading ADA parking facilities throughout the harbor. This project involves assessing current inventory and adding new accessible spaces in key locations.</p> <p>In FY21 one additional ADA space was added in the concession parking lot and existing spaces were relocated and reconfigured to bring them to current ADA standards. In FY22, funding to assess necessary upgrades to bring the path of travel between the concession lot public restroom and the beach plaza / concession area to current standards was completed. In FY24, the work to complete the necessary path of travel upgrades was completed.</p>	
<b>F039</b>	<b>HARBORWIDE REFUSE / RECYCLING STUDY</b>
<i>Status:</i>	<i>Ongoing – no funding recommended in FY25.</i>
<p>A harborwide refuse and recycling study was completed in FY23. Allocated funding is intended to address recommended improvements, like new/improved receptacles along the beach plaza.</p>	

<b>F042</b>	<b>EMBANKMENT ASSESSMENT</b>
<i>Status:</i>	<i>Ongoing – funding recommended in FY25.</i>
<p>The embankment area at the site of the crane pad on the east access road adjacent to <i>Twin Lakes</i>’ off-season mooring has visible erosion, which was accelerated further by the January 2022 tsunami and again by the January 2023 winter storms. Funding was designated in FY22 to inspect the area, assess the significance of the erosion, and develop a repair plan suitable to support the crane and associated activities. A comprehensive assessment was completed in FY22, and an additional review of the area was performed by engineers after the tsunami and 2023 storm events.</p> <p>Since considerable erosion occurred during the January and December 2023 storm events, funding in FY25 will be required to determine adequate repair / replacement options. The crane pad is currently compromised and cannot be used at full capacity.</p>	
<b>F043</b>	<b>FUEL SYSTEM UPGRADES</b>
<i>Status:</i>	<i>Ongoing – funding recommended in FY25.</i>
<p>The Santa Cruz Port District operates a full-service fuel dock 7 days a week. Ensuring that adequate funding is available for future equipment repair is critical to ensuring a serviceable operation.</p> <p>In FY25, the Port District will facilitate replacement of all four hose reels and perform necessary electrical upgrades to the panel feeding the dock.</p>	
<b>F045</b>	<b>NORTH HARBOR TRANSFORMER</b>
<i>Status:</i>	<i>Ongoing – funding recommended in FY25.</i>
<p>As a result of the January 15, 2022, tsunami, 6 electrical transformers in the north harbor were submerged and damaged. Replacement is required. In FY23, the Commission allocated \$207,000 to facilitate the design and replacement of the transformers. Design work was completed, and the project was placed out to bid in FY24. No bids were received for the project. The project will be rebid in FY25.</p>	
<b>F046</b>	<b>2222 EAST CLIFF DECK REPLACEMENT – CLOSE OUT</b>
<i>Status:</i>	<i>Project Complete.</i>
<p>In October 2022, the Commission allocated \$825,000 from the reserve fund to facilitate the repair and replacement of the second story deck at 2222 East Cliff Drive. The project was completed under budget in FY24. As a result, the project is being recommended for closeout, with the remaining \$112,401 being returned to the Reserve Fund.</p>	
<b>F046</b>	<b>TWIN LAKES HAUL</b>
<i>Status:</i>	<i>Ongoing – funding recommended in FY25.</i>
<p>The District’s dredge, <i>Twin Lakes</i>, has been in service for approximately 8 years. Bi-annual inspections are routinely performed by a contracted third party knowledgeable in dredge operations and equipment. A recommendation has been made to haul the dredge (for comprehensive inspection and maintenance) within the next 1-2 years. FY25 funding is recommended as a partial set-aside.</p>	

## UNFUNDED PROJECTS

### WIFI SYSTEM

This project involves design and installation of a Wi-Fi system available to harbor customers and tenants. Installation costs are presumed to be borne by a Wi-Fi vendor to be selected through a public bidding process, though there are numerous other options researched by Port District staff which may impact the type of service provided, installation costs, ongoing monthly costs, vendor-provided support, maintenance and customer service, fee-based upgrade options, etc.

A feasibility study by an outside consultant is recommended to identify and assess available options. Any Wi-Fi system should include comprehensive vendor-provided support as a top priority. Should the Commission direct staff to pursue the project following completion of a feasibility study, subsequent development of an RFP for installation of a Wi-Fi system by a qualified consultant is recommended.

### ARANA GULCH GRADE CONTROL STRUCTURE FEASIBILITY STUDY

This project would involve developing a grant proposal to fund engineering design and construction of several sediment-reduction measures in Arana Gulch, upstream of the north harbor. Work on this project commenced in FY 11 with a preliminary application submitted on the Port District's behalf. The application process was suspended because the Port District is not eligible to serve as lead agency for the grant and cooperative agreements had not been executed with the City of Santa Cruz and the County of Santa Cruz for extraterritorial work sponsored by the Port District.

### WEST SIDE MASTER PLAN

Master Plan study to follow reconstruction of a new restaurant at 616 Atlantic Avenue for the purposes of completing accessible public improvements along the walkway and jetty area between AA Dock and Walton Lighthouse, as envisioned in the 2008 West Jetty Walkway project. The West Side Master Plan needs to seamlessly tie in access to any future replacement of the SH Revetment and Seawall (F022).

### ELECTRIC VEHICLE CHARGING STATION

Identification of location(s) for placement of electric vehicle charging station(s) throughout the harbor, including assessment of power requirements and ongoing utility costs and maintenance.

## ATTACHMENT C – FINANCIAL POLICIES

Reserve Policy

Investment Policy

Unfunded Accrued Liability Policy (including CalPERS' Employer Contribution Rates)

Santa Cruz Port District  
**GENERAL FUND RESERVE POLICY**

*Adopted by the Santa Cruz Port Commission  
November 24, 2015*

## RESERVE POLICY OBJECTIVES

To strengthen the financial stability of the District against economic uncertainty, unexpected situations such as natural or man-made disasters, unanticipated drop in revenues, and other unforeseen emergencies or extraordinary circumstances that the Port District may face that are infrequent in occurrence.

## TARGET AMOUNT HELD IN RESERVE

The Port District will strive to hold in reserve an amount equal to 25 percent of the District's annual operating expenses in the current fiscal year's adopted general fund budget. The District recognizes that reserve fund amount may fluctuate and may need to be rebuilt over time as needed.

## FUNDING SOURCES

The reserve fund will generally come from one-time revenue and from excess revenues over expenditures. Examples of one-time revenue include infrequent sales of Port District assets, infrequent revenues from development and grants, or other sources that are typically non-recurring in nature.

## CONDITIONS ON USE OF RESERVES

The use of reserves shall generally be limited to unanticipated, non-recurring needs. Reserve fund balances shall not be used for normal or recurring annual operating expenditures.

The Port Director shall make recommendations to the Port Commission for use of reserves. Appropriations from this reserve fund shall require a resolution approved by the Port Commission.

Requests for use of reserves shall occur only after exhausting the current year's budgetary flexibility. The Port Director shall, within six months of its use, present to the Port Commission a plan and timeline for replenishing the reserve fund.

# Santa Cruz Port District INVESTMENT POLICY

Attachment B CALIFORNIA DEBT AND INVESTMENT ADVISORY COMMISSION (CDIAC) TABLE OF NOTES FOR FIGURE 1

## INTRODUCTION

Santa Cruz Port District is a municipal corporation and a political subdivision of the State of California. It is governed by an elected Board of Commissioners; the investment policy is administered through an executive officer, the Port Director.

The responsibilities and authority of the Santa Cruz Port Commission are prescribed in the State of California Harbors and Navigation Code, Part 4, Sec. 6200.

## PURPOSE

This statement is intended to set policy and provide direction to the Port Director of the Santa Cruz Port District for the prudent and beneficial investment of all funds and monies of the District.

## AUTHORITY

The Government Code of the State of California (Government Code), primarily section 53601 and related subsections, authorizes the types of investment vehicles allowed in a California local agency's portfolio. The investment vehicles emphasize preservation of capital and are a conservative set of investments. The authority to invest (as defined in the Government Code) is delegated to the local agency's legislative body for re-delegation to its finance officer. Under no circumstance is the local agency finance officer permitted to purchase an investment that is not specifically authorized by law and within the scope of investments delegated by the local agency's governing board.

This Investment Policy grants the Port Director the authority to act as Finance Officer (Trustee) and manage investments for the Santa Cruz Port District. The Santa Cruz Port Commission will serve in the role of investment committee, responsible for setting investment policy and providing oversight.

The Port Commission, under authorized contract, may delegate certain responsibilities to professional experts in various fields, including but not limited to:

- Investment Consultant: An investment consultant may be retained assist the Port Director in selecting investment options in compliance with State of California public fund management guidelines; reviewing such options over time; measuring and evaluating investment performance; and other tasks as deemed appropriate.
- Designated officers as allowed under California Government Code Sections 53601-53610 and 53620-53622 and/or successor statutes for purposes of assuming fiduciary responsibility for administering and managing certain investments, such as a Section 115 trust to prefund Other Post-Employment Benefits or pension liabilities.
- Additional specialists such as attorneys, auditors, actuaries and others who may be contracted by the District.

Adoption of this policy was made at a regular meeting of the Port Commission on November 27, 2018. The Port Commission, acting as Investment Committee, may adopt other amendments to this policy due to a change in the District's goals and objectives, which shall require an affirmative vote by a majority of the Port Commission. This policy is intended to allow investment in accordance with state and federal laws and successor statutes, and therefore a statute change may not be require a change in this policy. Investment Policy Attachments A and B shall be updated by the Finance Officer, as needed, to reflect current California Debt and Investment Advisory Commission (CDIAC) guidance.

## BASIC POLICY AND OBJECTIVES

In accordance with public fund management guidelines, the Santa Cruz Port District investment policy is a conservative policy guided by the objectives of safety, liquidity and yield, in accordance with Government Code Section 53600.5, which states, *"When investing, reinvesting, purchasing, acquiring, exchanging, selling, or managing public funds, the primary objective of a Trustee shall be to safeguard the principal of the funds under its control. The secondary objective shall be to meet the liquidity needs of the depositor. The third objective shall be to achieve a return on the funds under its control."*

The following are objectives:

**Performance Expectations:** The Port District's cash management portfolio shall be designed with the objective of regularly meeting or exceeding the average yield of the State of California Local Agency Investment Fund (LAIF). The enabling legislation for LAIF is Section 16429.1 et seq. of the California Government Code. LAIF as an indicator is considered a benchmark for lower risk investment transactions and therefore comprises a minimum standard for the portfolio's rate of return. The investment program shall seek to augment returns above this threshold, consistent with risk limitations identified herein and prudent investment principles, when feasible. The investment program may also seek to reduce Other Post Employment (OPEB) or pension liabilities.

**Prudence:** The standard of prudence to be used by investment officials shall be the "Uniform Prudent Management of Institutional Funds Act" (UPMIFA) standard and shall be applied in the context of managing an overall portfolio. Investment officers acting in accordance with written procedures and this investment policy and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and the liquidity and the sale of securities are carried out in accordance with the terms of this policy.

**Reporting Requirements:** The quarterly financial reports presented to the Santa Cruz Port Commission, typically presented at regularly scheduled public meetings in July, October, and January, and shall include information about investment performance. (Note: Fiscal year end quarterlies are not typically presented to the Commission, but are reviewed as part of the year-end audit process.)

**Performance Review:** The Santa Cruz Port Commission shall perform periodic appraisals of the investment

portfolio and investment policy to evaluate the effectiveness of the District's investment program. The Investment Policy shall be presented with the annual budget document.

**Ethics and Conflicts of Interest:** Officers and employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution and management of the investment program, or that could impair their ability to make impartial decisions. Employees and investment officials shall disclose any material interests in financial institutions with which they conduct business, in accordance with applicable laws. They shall further disclose any personal financial/investment positions that could be related to the performance of the investment portfolio. Employees and officers shall refrain from undertaking personal investment transactions with the same individual with whom business is conducted on behalf of the Port District.

**Investment Portfolio Compliance:** The Port District's investment portfolio must be in compliance with statute at the time that investments are purchased. The investment portfolio shall be monitored, as practical, for subsequent changes in percentages resulting from non-purchase activity or changes in credit rating of existing securities. If, as a result of monitoring, it is discovered that the portfolio or individual investments are deemed to be out of compliance with either statute or this Investment Policy, such non-compliance shall be reported by the Port Director to the Port Commission within five working days along with a detailed explanation for the variance and recommended course of action.

**Exceptions:** When investing in funds deemed suitable for public investment such as LAIF, a Joint Powers Authority Pool or Voluntary Investment Program Fund as described in Attachment A, California Debt and Investment Advisory Commission (CDIAC) Figure 1, no maximum specified percentage of portfolio shall apply.

**Conflicts:** In the event any provision this Investment Policy is in conflict with any of the statutes referred to herein or any other State or Federal statutes, the provisions of each statute shall govern.

## PERMITTED INVESTMENTS AND LIMITATIONS

### Permitted Investments

The California Government Code contains specific provisions regarding the types of investments and practices permitted after considering the broad requirement of preserving principal and maintaining liquidity before seeking yield. These provisions are intended to promote the use of reliable, diverse and safe investment instruments to ensure a prudently managed portfolio worthy of public trust.

Government Code Sections 16340, 16429.1, 53601, 53601.6, 53601.8, 53635, 53635.2, 53635.8, 53638, and 53684 include a number of requirements on how and where public money may be invested. CDIAC Figure 1 provides a synopsis of the permitted investment instruments and limitations on each, in which all local agencies may invest as summarized by CDIAC, [Local Agency Investment Guidelines](#), Update for 2018).

The Port District may invest only in those instruments specified in State law; however, the Port Commission may set a more stringent standard.

To the extent allowable by statute, the Finance Officer and Investment Committee (Port Commission) may consider investment in funds, such as those allowable under an irrevocable Section 115 Trust of the Internal Revenue Code, designated for the payment of employee retiree health benefits (Other Post Employment Benefits "OPEB") as authorized under Government Code Sections 53620-53622 or a Pension Prefunding Trust Program "PPTP," currently under development by CalPERS as authorized by SB 1413, which may provide a future investment opportunity.

### **Limitations on Investments**

Limitations as established by law are subject to change as established by the State Treasurer. A listing of limitations on investments are as summarized by CDIAC, [Local Agency Investment Guidelines](#), Update for 2018, are shown in the Table of Notes appended to Table 1. As noted above, investment options and limitations are subject to change as established by the State Treasurer from time to time.

The Trustee, with guidance and approval of the Investment Committee (Port Commission), may adopt additional limitations on investments over time, which shall be made a part of this policy.

Santa Cruz Port District  
**UNFUNDED ACCRUED LIABILITY PENSION  
MANAGEMENT POLICY**

*Adopted by the Santa Cruz Port Commission  
July 14, 2022*

## SECTION 1. PURPOSE

This Unfunded Accrued Liability Pension Management Policy (the “Policy”) is intended to strategically address the existing and any future unfunded accrued liability (the “UAL”) associated with the Santa Cruz Port District’s (the “District”) California Public Employees’ Retirement System (CalPERS) pension plans (the “Pension Plans”). Also addressed are some of the principal elements and core parameters central to the policy objectives. In the development of this Policy, the District strives to reduce its UAL and the associated financing costs in the most cost-efficient and fiscally responsible manner possible.

The District is committed to fiscal sustainability by employing long-term financial planning efforts, maintaining appropriate reserve levels, and employing prudent practices in governance, management, budget administration, and financial reporting. This Policy is intended to make all relevant information readily available to decision-makers and the public to improve the quality of decisions, identify policy goals, and to demonstrate a commitment to long-term financial planning. Adherence to this Policy signals to rating agencies and capital markets that the District is well managed and able to meet its obligations in a timely manner.

The Policy is intended to reflect a reasonable and conservative approach to managing the UAL costs associated with the Pension Plans. This Policy recognizes that the Pension Plans are subject to market volatility and that actual economic and demographic experience of the plans will differ from the actuarial assumptions. Accordingly, it is intended to allow for adaptive responses to changing circumstances, providing flexibility to address such volatility in a financially sound manner. As such, the District is required to continually monitor its Pension Plans and the corresponding UAL.

## SECTION 2. POLICY GOALS AND OBJECTIVES

The overarching goals and objectives of this Policy are as follows:

- Establish, attain, and maintain targeted pension plan funding levels
- Seek to manage and control future contribution volatility to the extent reasonably possible
- Strive to make Annual Discretionary Payments to accelerate UAL pay-down, reduce interest costs, and stabilize future payments, when feasible
- Maintain the District’s sound financial position and creditworthiness
- Provide guidance in making annual budget decisions
- Demonstrate prudent financial management practices
- Ensure that pension funding decisions protect both current and future stakeholders
- Create transparency as to how and why the Pensions Plans are funded

## SECTION 3. BACKGROUND AND DISCUSSION

*In General.* Each Pension Plan is a multiple-employer defined benefit pension plan administered by the California Public Employee Retirement System (“CalPERS”). All full-time and certain part-time District employees are eligible to participate in the CalPERS retirement and disability benefits, annual cost of living adjustments and death benefits offered to plan members and their beneficiaries. CalPERS acts as a common investment and administrative agent for participating public entities within the State of California. Benefit provisions and all other requirements are established by state statute.

The financial objective of a defined benefit pension plan is to fund the long-term cost of benefits provided to the plan participants. In order to assure its financial soundness and sustainability, the plan should accumulate adequate resources in a systematic and disciplined manner to ensure sufficient resources are available to meet employee benefit requirements. This Policy outlines the practices the District may utilize to address its actuarially determined contributions to fund the long-term cost of benefits to the Pension Plan participants and annuitants.

*Pension Costs and Liabilities.* In order to fund its employees’ pension benefits, the District is required to make contributions (a portion of which may come from the employees) to CalPERS. CalPERS then invests these contributions to generate returns to help fund the pension benefits. The regular required contributions, known as the “normal cost,” are calculated as a percent of salaries and represent the annual cost of service accrual for the upcoming fiscal year for active employees. If, for any reason, the actual Pension Plan experience and investment performance fall short of the actuarial assumptions, the Pension Plan can become underfunded (i.e., the Pension Plan’s Normal Accrued Liability exceeds the Plan’s market value of assets). This shortfall is known as the Unfunded Accrued Liability (the “UAL”) and usually has to be covered by the District through a series of UAL Payments, which are above and beyond the “normal cost” contributions. The UAL Payments are calculated in total dollar amounts, not as a percent of salaries.

The UAL, can be caused by multiple factors, including but not limited to, changes to CalPERS’ actuarial amortization policy, retroactive pension benefit enhancements, investment underperformance, actuarial assumption changes, demographic factors, and discount rate reductions and apply to all accrued employee benefits regardless of current employment status.

*UAL is Debt.* The UAL balance at any given point in time is a debt of the District owed to CalPERS, which is amortized over a set period of time with interest accruing at the then current CalPERS discount rate (the “Discount Rate”). However, this debt can be prepaid at any time without penalties. Recognizing the UAL as debt helps the District identify proper steps to address it and minimize the associated financing costs.

*Ongoing CalPERS Practices.* Every year CalPERS prepares updated actuarial valuation reports for each of the District’s Pension Plans wherein it calculates the District’s total pension liability as of the end of the prior fiscal year (each a “Valuation Report”). If the investment performance during that fiscal year was different from the Discount Rate, or if CalPERS made any changes to its actuarial assumptions, or if the actual demographic or compensation experience within the Pension Plans was different from the actuarial assumptions, new line items, or UAL amortization “bases,” may be added to the plan and result in a change to the UAL balance. Such

UAL amortization bases may be positive (indicating funding shortfall for the Pension Plans) or negative (indicating funding surplus for the Pension Plans). Since CalPERS can add new UAL amortization bases every year, the Pension Plans must be monitored annually and managed continually – there is no one-time solution.

CalPERS has adopted the UAL amortization methods that were meant to help public agencies “ease into” paying for the UAL increases. New UAL amortization bases are implemented incrementally, with a five-year ramp-up period, and at times include additional small increases in each of the subsequent years. The ramp-up period, while reducing the cash flow impact in the near term, increases the overall UAL repayment costs for the District by delaying repayment. Since the UAL balances accrue interest at the rate that is equal to the then current Discount Rate, the delayed payments prior to the commencement of the amortization and the reduced payments during the ramp-up period that do not fully cover the interest costs result in negative amortization, causing further increases to the UAL balance. To help reduce the overall costs of the UAL repayment, this Policy encourages level annual payments (i.e., no ramp-up) whenever possible.

## SECTION 4. POLICY

**A. Funding Level Objective.** It is the District’s policy to strive to achieve and maintain a Pension “Funded Ratio” (being the ratio by which the Market Value of Assets—as set forth in the most recently published Valuation Report—exceeds the Entry Age Normal Accrued Liability or “EANAL”—as set forth in the most recently published Valuation Report) for each Pension Plan of 90% (the “Funding Level Objective”).

### Funding Level Objective = 90%

Achieving and maintaining the 90% Funding Level Objective ensures that the ongoing contributions of the District and its employees are properly and adequately funding the retirement benefits of retirees and today’s workers. This concept is commonly referred to as the intergenerational equity. The reason for a Funding Level Objective of 90% rather than 100% is to allow some cushion for the possibility that good investment returns by CalPERS in a given year might push the Funded Ratio of a Pension Plan above 100% (commonly referred to as “superfunded status”), which means that the District and its employees had contributed into the Pension Plan more than was necessary. Thus, while the District remains committed to maintaining a 100% funded level, it shall manage the 10% differential (i.e., the difference between 90% and 100%) through its own investment process by creating the “Pension Rate Stabilization Fund” discussed herein.

**Guidance:** To achieve the Funding Level Objective, this Policy provides the following guidance:

1. **Pre-Pay the Entire Annual UAL Payment by July 31<sup>st</sup> of each year.** On or before July 1st of each year, the District receives its annual CalPERS UAL invoice. The District has two payments options. The invoice can (1) be paid in equal monthly increments or (2) be fully pre-paid at the beginning of the fiscal year by July 31st. By prepaying the entire invoice amount due by July 31st, the District can save approximately 3.5% compared to making the monthly payments. As such, every effort should be made to pre-pay the UAL payment upon receipt of the annual invoice, when feasible.

2. **Pre-Pay UAL from Reserves, One-Time Revenues and Fund Surpluses.** Reserves (often invested in LAIF) regularly do not earn returns that can offset the interest rate that CalPERS charges on the outstanding UAL balance. Supplemental contributions into the Pension Plans from available reserves, one-time revenues and fund surpluses can generate substantial long-term net savings. Each supplemental contribution, referred to by CalPERS as an Additional Discretionary Payment (ADP), reduces the UAL balance, the Annual Required Contributions (ARC) for future years, and the total interest costs associated with the UAL. CalPERS does not apply any prepayment penalties to ADPs. Therefore, during each budget cycle, District staff shall review all available reserves, one-time revenues and fund surpluses to determine whether any such funds could be used to make an ADP to pay down the UAL, keeping in mind operational and capital budgetary constraints while maintaining adequate reserves and balancing the fiscal soundness of eliminating the high-interest UAL debt. ADPs should not adversely affect the general operations and fiscal soundness of the District.

3. **Capital Financing.** When considering capital projects, staff regularly reviews and plans for reserving capital to cash fund current and future projects. When considering how to pay for current and future capital projects, staff should review the current tax-exempt market to assess if it would be more cost effective to borrow at tax-exempt rates to pay for the capital projects and redirect the reserved funding (and/or such other appropriate funds of the District) to make ADPs to CalPERS.

If there are projected cost savings by using this method, and a capital financing strategy is to be implemented, the Port Commission would need to approve of the ADPs being paid to CalPERS prior to the financing to ensure that the annual savings generated by implementing the strategy are applied to UAL paydowns.

4. **Utilize Savings Achieved from Refunding Outstanding Non-Pension Related Debt to Pre-Pay UAL.** During each budget cycle, staff should review all outstanding long-term non-pension related debt of the District to determine whether a refunding of such debt might result in net present value savings of greater than 3%, and if so, consider a structure and strategy that frontloads the savings from such debt refunding, which can then be used to pay down the UAL.

5. **Sources of Revenue.** All fees, rates and charges should incorporate full allocation of pension costs for employees providing associated services. While some funds cannot contribute more than their fair share (i.e., enterprise funds), they should not contribute less than their fair share. Staff shall review allocation of labor costs to proprietary and other funds to ensure full reimbursement of the pension cost burden. Staff shall provide, or cause to be provided, consistent and well-documented methodology for pension cost allocation to all funds.

6. **Pension Obligation Financing.** The District shall consider issuing taxable municipal debt obligations (generically hereafter referred to as "Pension Obligations") to refinance the UAL, in part or in whole, if such bond obligations are expected to produce minimum cash flow savings of at least 5%, taking into account all debt service and costs of issuance associated with such

bond obligations, in comparison to CalPERS' respective UAL amortization schedule and the then-current Discount Rate.

Pension Obligations shall not utilize swaps or derivatives of any kind and should be structured with reasonable and flexible call provisions (with a maximum of 10-year call provision). Pension Obligations shall be used only to prepay the UAL liabilities and shall not be used to finance normal cost payments. The issuance of Pension Obligations must be voted upon and approved by the Board of Directors.

7. **Annual Review of the CalPERS Actuarial Valuation Reports and Associated Tasks.** District staff shall review or cause to be reviewed the annual CalPERS actuarial valuation reports within 60 days of their release by CalPERS, which usually takes place during the month of August. The review should focus on identifying the annual changes to each of the Pension Plans UAL and quantifying the associated cost implications and the corresponding impact on the Funded Ratio. Staff should annually reach out to the District's CalPERS actuary to request a calculation of flat payments (rather than ramp-up payments) for all outstanding and new UAL amortization bases. In making ADPs, District staff shall determine or cause to be determined the optimal application of the ADPs to the outstanding UAL amortization bases to achieve the Funding Level Objective as well as desired budgetary outcomes.

**B. Establishment and Operation of a Pension Rate Stabilization Fund.**

1. **Establishment of a Pension Rate Stabilization Fund.** Once the District has substantively accomplished stabilizing all Pension Funds at or near the Funding Level Objective, the District may establish a Pension Rate Stabilization Fund, either self-managed or a Section 115 trust fund managed by a third-party investment manager (the "Investment Manager"). The Pension Rate Stabilization Fund will receive Sequestered Savings (defined below) and Sequestered Surplus (defined below) as well as any other funds deposited into it at the discretion of the Port Commission, based on recommendations made by District staff during the annual budget process. Funds in the Pension Rate Stabilization Fund should only be used to manage the District's pension benefits costs to maintain each of the Pension Plans at the Funding Level Objective in accordance with the goals and objectives set forth in this Policy.
2. **Funding the Pension Rate Stabilization Fund.**
  - (a) **Sequestered Savings.** At the beginning of each Fiscal Year following the issuance of each series of Pension Obligations, for a total of ten (10) consecutive years (or such other period of years as deemed appropriate by the Port Commission at the time of any subsequent issuances of Pension Obligations) following such issuance, a fixed dollar amount equal to 50% (or such other percentage as deemed appropriate by the Port Commission at the time of any subsequent issuances of Pension Obligations) of the "Total Sequestered Savings" (as calculated in the manner set forth below) achieved by issuing Pension Obligations (the "Annual Sequestered Savings Savings"), shall be transferred from the District's general operating funds

and deposited into the Pension Rate Stabilization Fund until such time that the Pension Rate Stabilization Fund reaches the Pension Rate Stabilization Fund Maximum (as outlined in section B3 below), and thereafter all Sequestered Savings will be directed to a “Pension Obligation Prepayment Fund” which will be established and maintained by the District for the purpose of prepaying any outstanding Pension Obligations.

$$\text{Total Sequestered Savings} = \text{UALDS} - \text{DS}$$

$$\text{Annual Sequestered Savings} = 0.5x\left(\frac{\text{UALDS} - \text{DS}}{Y}\right)$$

UALDS = Scheduled UAL debt service being paid off by the Pension Obligations

DS = Total principal amount of Debt Service on the Pension Obligations

Y = Number of years to pay back Sequestered Savings

#### Example of Annual Sequestered Savings Calculation

A \$5M Pension Obligation was issued in 2022 for the purpose of prepaying UAL. The total UAL debt service (UALDS) paid off with the Pension Obligation was \$8,000,000 and the total debt service (DS) on the Pension Obligation is \$7,000,000. The District elected to sequester 50% of the total savings over a 10-year period (Y), which in this example totals \$100,000.

$$\begin{aligned} \text{Annual Seq. Savings} &= 0.5x\left(\frac{8,000,000 - 7,000,000}{10}\right) \\ &= \$50,000 \end{aligned}$$

(b) Sequestered Surplus. Each Fiscal Year during the District’s normal budget adoption process, beginning with the 2022-23 Fiscal year budget, and for each of the following 9 years, a percent between 0% and 10% of any available surplus from the prior Fiscal Year (the “Sequestered Surplus”) shall be set aside, transferred and deposited into the Pension Rate Stabilization Fund.

3. **Operation of the Pension Rate Stabilization Fund**. Sequestered Surplus and Sequestered Savings (and any other amounts contributed by the District) shall be deposited in the Pension Rate Stabilization Fund and used solely for the purpose of making ADP’s (and Normal Cost payments during a Fiscal Hardship, and/or to the extent the amount therein exceeds the Pension Rate Stabilization Fund Maximum, as described below) to CalPERS for the purpose of achieving and maintaining Funding Level Objective.

With the goal of achieving and maintaining the Funding Level Objective, each year during the budget cycle, District staff shall calculate, or cause to be calculated, the upcoming Fiscal Year’s

estimated Funded Ratio by taking into account the most recent Valuation Report's statement of Funded Ratio and adjusting for the estimated UAL amortization base that will be either added or subtracted due to the prior Fiscal Year's investment result of either exceeding or falling short of the then current Discount Rate for that Fiscal Year (the "Estimated Funded Ratio"). If the Estimated Funded Ratio is estimated to be less than the Funding Level Objective, to the extent funds are available in the Pension Rate Stabilization Fund, the Port Director shall make an ADP to CalPERS in the amount necessary to bring the Funded Ratio back up to the Funding Level Objective. Additionally, if sufficient funds are available in the Pension Rate Stabilization Fund, staff shall assess whether to fully amortize any new UAL amortization bases in order to reduce the long-term interest costs associated with the "ramping" procedures used by CalPERS.

Moneys in the Pension Rate Stabilization Fund shall not be used for normal costs until such time as the amount therein, when combined with the Market Value of Assets (as set forth in the most recently published Valuation Report) exceeds the Entry Age Normal Accrued Liability (as set forth in the most recently published Valuation Report) by 110% (the "Pension Rate Stabilization Fund Maximum"). To the extent monies in the Pension Rate Stabilization Fund on June 31st exceed the Pension Rate Stabilization Fund Maximum (after consideration has been given to the amounts therein required to be paid to CalPERS for the ensuing Fiscal Year to maintain the Estimated Funded Ratio at or above the Funding Level Objective), any accrued surplus over 110% may be used to offset the District's Normal Cost payment made to CalPERS in such Fiscal Year, and any Sequestered Savings will be directed to the Bond Call Fund.

4. **Fiscal Hardship.** In the event of a Fiscal Hardship (as defined below), transfers of Sequestered Savings may be abated and/or the Pension Rate Stabilization Fund may be utilized for either normal or UAL costs until the Fiscal Hardship is no longer in effect.

"Fiscal Hardship" means an economic hardship, or other unanticipated fiscal emergency, that has been declared by resolution by the Port Commission.

- C. **Transparency and Reporting.** Funding of the Pension Plans should be transparent to all stakeholders, including plan participants, annuitants, the Port Commission, and District rate payers. To achieve this Policy objective, copies of the annual actuarial valuation reports for each Pension Plan shall be made available and posted on the District's website. The District's audited financial statements shall also be posted on the District's website.
- D. **Annual Budget to Contain Policy Directed Information.** The District's annual operating budget shall consider the items specified in this Policy for inclusion in each such annual budget.
- E. **Review of Policy.** Funding a defined benefit pension plan requires a long-term planning approach. This Policy is intended to provide general objectives and guidelines, and as such, District staff will review the policy for implementation of new best practices and provide the Port Commission with updates for approval on an as needed basis, not to exceed 5 years.

ATTACHMENT D – DRAFT FY25 FEE SCHEDULE

## PARKING

Description	Fee
Visitor Parking Pass: Daily	\$20.00 /day
Visitor Parking Pass: Hourly	\$2.00 /hour
Slip Licensee 1st/2nd Additional Annual Parking Permits	\$50.00 / \$100
Slip Licensee Visitor Parking Pass: Daily	\$10.00 /day
RV Park Overnight Parking	\$65.00 /night
RV Park Overnight Parking Booking Fee	\$3.00 /flat rate
RV Park Overnight Parking Site Lock Fee ( <i>optional selection</i> )	\$25.00 /flat rate
RV Park Cancellation Fee (72-hour notice)	\$25.00
RV Park Cancellation Fee (less than 72-hour notice)	\$65.00
Overnight Parking: Launch Ramp (RV w/o trailer)	\$65.00 /night
Overnight Parking: Launch Ramp (RV w/trailer)	\$83.00 /night
Overnight Parking: Launch Ramp (Vehicle w/o trailer)	\$30.00 /night <sup>A</sup>
Overnight Parking: Launch Ramp (Vehicle w/trailer)	\$30.00 /night <sup>A</sup>
Overnight Parking: 7th & Brommer	\$20.00 /night
Annual North Harbor Visitor Parking Pass: M - F	\$100.00 /year
Annual North Harbor Visitor Parking Pass: Every Day	\$150.00 /year
Annual Landside Tenant Business Parking Permit	\$240.00 /year
Concession Parking Lot: Overflow Parking Pass	\$10.00 /day
Concession Parking Lot: 30 Minutes or Less	FREE
Concession Parking Lot: Entry Before 4 PM (First 2.5 Hours)	\$2.00 /hour
Concession Parking Lot: Entry Before 4 PM (After 2.5 Hours)	\$5.25 /hour
Concession Parking Lot: Entry After 4 PM	\$2.00 /hour
Concession Parking Lot: Lost Ticket Fee	\$40.00

<sup>A</sup> Includes all-day parking through 9 PM 2nd night.

## LAUNCHING

Description	Fee
Daily Launch Permit	\$18.00
Daily Launch Permit - Disabled	\$12.00
Daily Cartop Launch Permit (2 Vessels)	\$15.00 <sup>B</sup>
Handlaunch or Additional Vessel w/ Cartop	\$7.00
Annual Launch Permit: Every Day	\$370.00
Annual Launch Permit: M - F	\$265.00
Annual Launch Permit - Disabled: Every Day	\$225.00
Annual Launch Permit - Disabled: M - F	\$165.00
Annual Launch Permit Cartop	\$250.00

<sup>B</sup> Includes launching for 2 vessels/boards & vehicle parking.

## VISITOR BERTHING

Description	Fee
Up to 50' Monohull: 1-14 Days	\$1.50 /ft./day, \$42.00 minimum
Up to 50' Monohull: 15+ Days	\$2.25 /ft./day, \$63.00 minimum
50'+ Multihull: 1-14 Days	\$1.75 /ft./day, \$52.50 minimum
50'+ Multihull: 15+ Days	\$2.25 /ft./day, \$63.00 minimum
Commercial <sup>C</sup>	\$0.75 /ft./day, \$30.00 minimum

<sup>C</sup> Commercial rate applies to fishing vessels actively & solely engaged in commercial fishing. Proof in advance of slip assignment in the form of two CDFW commercial fish landing receipts within the previous two weeks may be required.

## OTHER VISITOR SERVICES

Description	Fee
Catamaran Overnight Storage	\$5.00 <sup>D</sup>
End-Tie full length (Regattas, Cruises, Etc.)	\$270.00 /day
End-Tie half length (Regattas, Cruises, Etc.)	\$160.00 /day
Winter End-Tie Berthing Program: Recreational <sup>E</sup>	\$27.90 /ft./mo. <sup>F</sup>
Winter End-Tie Berthing Program: Commercial <sup>E</sup>	\$18.00 /ft./mo. <sup>F</sup>

<sup>D</sup> Storage on beach only.

<sup>E</sup> Winter: October 31 - March 1, commercial year-round subject to Harbormaster approval.

<sup>F</sup> 1-month occupancy; paid in advance.

MOORAGE RATES <sup>G</sup>

Description	Fee
South Harbor: Single Side	\$14.56 /foot
South Harbor: Double Side	\$16.03 /foot
South Harbor: AA Dock	\$24.76 /foot
South Harbor: ABC Dock	\$29.13 /foot
North Harbor: 20' (Including Inside-Ties)	\$13.08 /foot
North Harbor: 25' / 30'	\$13.78 /foot
North Harbor: 35' / 40'	\$14.16 /foot
North Harbor: Wide 45'	\$16.25 /foot
North Harbor: Dory-Tie	\$70.52 /month
Security Deposit	2 months' rent

<sup>G</sup> Slip rent is based on the greater length of the slip or vessel (and any overhangs).

## DRY STORAGE

Description	Fee
7th & Brommer Gravel Lot	\$134.33 /month
North Harbor Paved Lot 24 <sup>1</sup>	\$143.73 /month
North Harbor Paved Lot 28 <sup>1</sup>	\$173.29 /month
North Harbor Paved Lot 33 <sup>1</sup>	\$188.06 /month
Catamaran Storage	\$67.15 /month
Kayak Rack Storage	\$63.14 /month
Security Deposit	1 month's rent

## EVENTS

Description	Fee
Event Application Fee	\$75.00 <sup>H</sup>
Harbor Beach: 0-100 People	\$400.00 /day
Harbor Beach: Add 'l 50 People	\$175.00 /day
Harbor Beach Plaza	\$250.00 /day
Mariner Park Lawn: 0-100 People	\$250.00 /day
Mariner Park Lawn: Add 'l 50 People	\$100.00 /day
JG Townsend Maritime Plaza	\$150.00 /day
Walton Lighthouse: 0-6 People	\$500.00 /hour <sup>l</sup>
West Jetty	\$325.00 /day
Wiki's Island	\$150.00 /day
Information Booth	\$60.00 /day
Event Deposit	\$500.00 /day minimum
Live Music /DJ	\$185.00 /day
Stereo System	\$85.00 /day
Volleyball Court	\$70.00 /court/4-hours <sup>j</sup>
On-water Event Permit Inner Harbor	\$50.00 /hour <sup>k</sup>
Electrical Service Use	\$40.00
Mariner Park Lawn Camping	\$10.00 /night/tent <sup>L</sup>
Public Meeting Room	\$40.00 /hour <sup>M</sup>

<sup>H</sup> Cost recovery for administrative services.

<sup>l</sup> Staff service charges for standby may apply.

<sup>j</sup> Limit 2 courts.

<sup>k</sup> Plus safety staffing & vessels.

<sup>L</sup> Harbormaster approval required.

<sup>M</sup> Fees waived for landside concessionaires and marine related uses.

STAFF SERVICES <sup>N, O, P</sup>

Description	Fee
Facilities Maintenance & Engineering Manager	\$132.40 /hour
Supervising Harbor Maintenance Worker	\$86.80 /hour
Harbor Maintenance Worker	\$82.80 /hour
Supervising Harbor Dredge Worker	\$86.80 /hour
Harbor Dredge Worker	\$82.80 /hour
Harbormaster	\$132.40 /hour
Assistant Harbormaster	\$93.80 /hour
Senior Deputy Harbormaster	\$86.80 /hour
Deputy Harbormaster	\$82.80 /hour
Customer Service Representative	\$73.30 /hour
Facilities Coordinator	\$73.30 /hour
Finance Officer	\$94.30 /hour
Administrative Services Officer	\$94.30 /hour
Administrative Assistant I/II	\$82.80 /hour
Parking Coordinator	\$71.11 /hour
Parking Control	\$35.36 /hour
Boatyard Supervisor	\$86.80 /hour
