National Sailing Hall of Fame to Induct Bill Lee

The Port District would like to congratulate long-time slip renter, yacht builder, and sailing legend, Bill Lee on his upcoming induction into the National Sailing Hall of Fame. In total, 13 inductees will be honored in-person at the 2022 Sailing Hall of Fame Induction Weekend in November in Newport, Rhode Island.

Bill is being recognized for his extraordinary contributions to the world of sailing as a designer, builder, sailor, and custodian of the sport. He also likes to go fast... "Fast is Fun!"

In addition to building innovative record-setting yachts, Bill has played an integral role in shaping the harbor by serving as a Port Commissioner from 1983-1995, and again from 2004-2016.

We are thrilled to share in this momentous occasion. Congratulations, Bill!

Welcome Nate, the District's new Harbor Dredge Worker!

The Port District is pleased to announce Nate Castro as its newest Harbor Dredge Worker. Nate previously worked for the District on the dredge crew, and has an excellent understanding of the operation.

Join us in welcoming Nate back to the harbor!

Important Safety Information Shore Power Cords

When connecting your vessel to shore power,

please ensure that you are using a **marine-grade** cord with appropriate terminals and conductor sizes in accordance with the National Electric Code. The use of adapters is strongly discouraged and poses a significant fire risk.

If you have questions about how to safely connect your shore power cord, please contact the harbor office.
