SANTA CRUZ HARBOR BOATYARD AT YOUR SERVICE

The Santa Cruz Harbor Boatyard is equipped to serve the Santa Cruz boating community. The boatyard can handle large and small sail and power boats with its 50 ton Travelift. We are proud to offer competitive rates and friendly service right here in the Santa Cruz Harbor. Boaters can "Do-It-Yourself" or choose from our list of numerous local boat repair contractors. The boatyard has a small chandlery and can special order parts and supplies with a 24-hour delivery in most cases.

The Port District reopened the boatyard in April 2014. Since then, hundreds of customers have used the yard for haulouts, surveys, repairs, painting, fiberglass work, mast-stepping, bottom cleaning, engine repairs, bright work and general boat maintenance. Customers have come from as far away as the Sacramento/San Joaquin Delta to work on their boats in the clean, friendly Santa Cruz environment.

The boatyard offers special rates seasonally, like rainy day specials and discounts for commercial fishermen. Stop by and meet our helpful crew, see the world-famous Santa Cruz 70 *Merlin*, check out the recently restored historic felucca *Pappy*, and learn more about the Santa Cruz Harbor Boatyard.

For more information or to schedule an appointment, call (831) 475-3002.

TWIN LAKES BEACHFRONT PROJECT

The Twin Lakes Beachfront Improvement Project formally commenced on September 15, 2016 at the Harbor Beach Plaza. This project will improve coastal access along East Cliff Drive from the harbor entrance at 5th Avenue to the intersection of East Cliff Drive and 7th Avenue. Pedestrian paths, bike lanes, parking spaces, and beach stairways and ramps will greatly improve beach access along Twin Lakes Beach. GraniteRock, the contractor for this project, is scheduled to begin on-site construction in early-October. Although the construction schedule is a work in progress and subject to change, the general plan for this project is to:

HOLIDAY OFFICE HOURS

The harbor office will close for the Thanksgiving holiday on Wednesday, November 23, at 12:00 PM. The office will remain closed on Thursday, November 24, and will resume regular operating hours on Friday, November 25, at 9:00 AM.

LIGHTED BOAT PARADE

The Santa Cruz Yacht Club's 31st annual Lighted Boat Parade will take place at Santa Cruz Harbor on Saturday, December 3, 2016 at 5:30 PM.

Mark your calendars!

495 Lake Avenue, Santa Cruz, CA 95062 831-475-3002

WELCOME TIM!

Come by the Boatyard to meet Tim Petrick!

Tim's a Cal Maritime Academy graduate who brings supervisory and environmental experience, as well as many years of experience working in the maritime industry on a wide variety of vessels.

4 HAUL SPECIAL

Become a member of the 4 Haul program, and receive a four survey haul package at a discounted rate!

Call or stop by the boatyard for additional details or to enroll in the program.

(831)475-3002

1. Begin work to widen the road on the north side of East Cliff Drive (residential side)
2. Construct the retaining wall on the south side of East Cliff Drive (beach side)
3. Rebuild the roadway between 5th and 7th Avenue

The project is expected to take approximately nine months to complete. Harbor businesses will remain open and East Cliff Drive will be open to two-way traffic throughout construction. Visitor parking is available in harbor parking areas.

For more information about this project, please [click here](#).

DREDGING UPDATE

North Harbor Dredging

Dredging of the north harbor is scheduled to begin on Monday, October 3, 2016. The crew plans to use the Port District's 8" hydraulic dredge, *Squirt*, to dredge the north harbor. *Squirt*'s smaller size is ideal for dredging smaller fairways and slip areas of the inner-harbor. Furthermore, *Squirt* was renovated last year with a new diesel engine that is compliant with State of California's Airborne Toxic Control Measure. This will reduce emissions of diesel particulate matter and eliminate *Squirt*'s previous 80-hour per year operating restriction. The crew strives to complete north harbor dredging earlier in the season this year, so they can concentrate on entrance dredging from November to April.

Entrance Dredging

The Port District's new dredge, *Twin Lakes*, will be mobilized to the south harbor in mid-October. The crew plans to begin dredging the entrance beginning in mid-November and continuing through April 2017.

UPCOMING EVENTS

3RD ANNUAL CLASSIC CAR SHOW

Come enjoy an afternoon of live music, festivities, food, and of course, classic cars! Vintage cars, trucks, and motorcycles will be on display from 9 AM - 2 PM on Sunday, October 9, 2016, on the harbor's west side (near Mariner Park Lawn). This free event is open to the public, so come check it out!

To register your vehicle in this year's show, please [click here](#). \$40 registration fee includes commemorative t-shirt.

HAUNTED HARBOR

Come experience a "spooktacular" evening of trick-or-treating at Santa Cruz Harbor! Wind your way through an eerie adventure and collect Halloween treats along the way! Join us for family fun and adventure on Saturday, October 29, from 4 PM - 7 PM. Please [click here](#) for more information.
