Digital: color and black & white

Framing and Display Process

Once your portrait is ready, Covello & Covello will notify staff so we can pick up the prints and handle the framing process.

Website Update

The digital version will be emailed to staff, and the District's website will be updated accordingly.

Framing Process

Once we have the prints, all framed portraits will be taken to York Framing for updating. This typically takes a few weeks.

Framed Portrait Locations

The updated framed portraits will be displayed in the following locations around the harbor:

- Harbor Office
- Boatyard Office
- Public Meeting Room
- Information Booth (concession lot)
- D-dock RR (west harbor)
- Crow's Nest Restaurant
